MANGA MONTH INTERVIEWS

For Manga Month 2016, we reached out to a host of creators to speak with us about Manga and Anime. First, Philip R. Simon, Eisner, Harvey, and Eagle Award-winning multiple *New York Times* best-selling editor at Dark Horse, speaks with us on page 184 of this issue. Then on the FlipSide section of this issue, we have interviews with four different people involved in the American manga scene, including Stu Levy from Tokyopop, Zack Davisson translator and writer at Drawn & Quarterly, video game designer and manga artist Hitoshi Ariga, and Seven Seas artist Madeleine Rosca, author of the *Hollow Fields* series.

MANGA MONTH 2016!

Every year, we set aside one month (typically April) to celebrate the twin fandoms of Manga and Anime. English adaptations of Japanese comics and cartoons have been around since the early '80s, and have become two of the most popular categories of fandom. Even in 2016, the power and influence of Manga and Anime can be felt all around us, in print, on television, and even at the convention level. Cosplaying the characters of Manga, Anime and Video Games rivals (and may just surpass) the cosplaying of Western comic book heroes and movie characters.

So here we are, April 2016, and it's time for another Manga Month in ***PREVIEWS***. We've got a truly impressive amount of new and backlist titles offered this month, with every current player represented with some of the latest and greatest titles for you to check out. And let's offer up a big WELCOME BACK! to Tokyopop, who return to our pages this month with two new Disney-themed manga collections, featuring *Finding Nemo* and *Alice in Wonderland*, two amazing, never-before-seen manga adaptations of the Disney features! And they have more to come in the months ahead.

Elsewhere in the issue, in our Import Toys section, you'll find some of the coolest merchandise around, based on some of your favorite Anime series, old and new alike. Love classic Super Robots like *Mazinger Z*? We got them! Can't get enough of *Dragon Ball*, *Evangelion*, *Naruto*, *Gundam*, *One Piece* and other Anime hits? We got them too! Our Import Toys section is jam-packed with some of the coolest toys and collectibles on the planet, which is why it is always one of my favorite sections each month!

On the Editorial side, we've got some great exclusive interviews with the people behind the scenes who bring us the Manga we love. We've got an Indie Edge with VIZ Media's Mike Montessa, a two-page interview with Philip R. Simon of Dark Horse Comics, and over on the FlipSide, we've got four different interviews from industry Manga creators and editors.

And before I go, let me just put it out there that we've got about a month before **Free Comic Book Day 2016** on May 7th. So be sure you've made your plans and are ready to head out to your favorite comic shop on the first Saturday in May.... it's gonna be a great time for everyone! Because really, who doesn't like *FREE COMICS*?!

Your Pal @ ***PREVIEWS***,

"Love classic Super Robots like Mazinger Z? We got them! Can't get enough of Dragon Ball, Evangelion, Naruto, Gundam, One Piece and other Anime hits? We got them too! "

MIKE MONTESA

EDGE ESSENTIALS

Pick-up these books to learn more about Mike's Indie Edge style.

- ***Monster TP Vol 01 Perfect Ed Urasawa*** (MAY141671)
- ***Blue Exorcist GN Vol 01*** (JAN111364)
- ***Black Lagoon GN Vol 01*** (MR) (MAY084215)

San Francisco-born, Mike Montesa went to the promised land of manga, living and working in Japan for over 16 years. In 2006, he returned and joined VIZ Media, working as an editor bringing manga to masses in the U.S.

What are your favorite manga you've worked on in your career?

Black Lagoon, *Slam Dunk*, *Monster*, *Biomega* and *Blue Exorcist*.

What are you currently working on?

I have a lot of titles and I seem to always forget what they are when asked, if I'm not looking directly at them. I'm working on *Blue Exorcist* this morning, one of the chapters for *Shonen Jump*. Later today, I'll be working on *My Hero Academia* and the color version of *Dragon Ball*.

What Manga artists/ creators have influenced you?

My influences are perhaps a bit old school, but I've always liked the work of Katsuhiro Otomo (*Akira*) and Shiro Masamune (*Ghost in the Shell*). And way back in university, I used to read Rumiko Takahashi's stuff a lot, like *Urusei Yatsura* and *Ranma ½*. Some of the work by Ryoichi Ikegami, like Mai the *Psychic Girl* and *Crying Freeman* was also on my shelf.

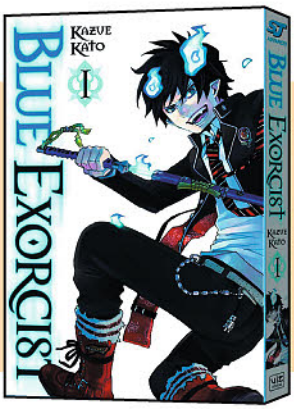

What is your favorite manga?

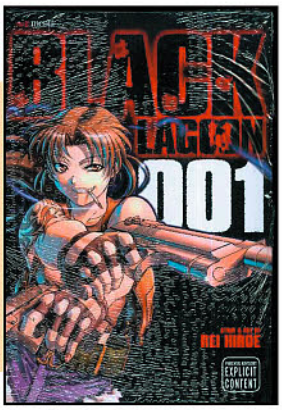

Not an easy question to answer. I'll say it was the first series I worked on at VIZ, *Black Lagoon*. I was super-happy to edit that one and I'm proud of the work I did on the English edition.

What anime do you think should be made into a manga or vice-versa?

Most anime in Japan are produced as the result of a successful manga series. It's not a VIZ series, but I would love to see Makoto Yukimura's *Vinland Saga* as an anime.

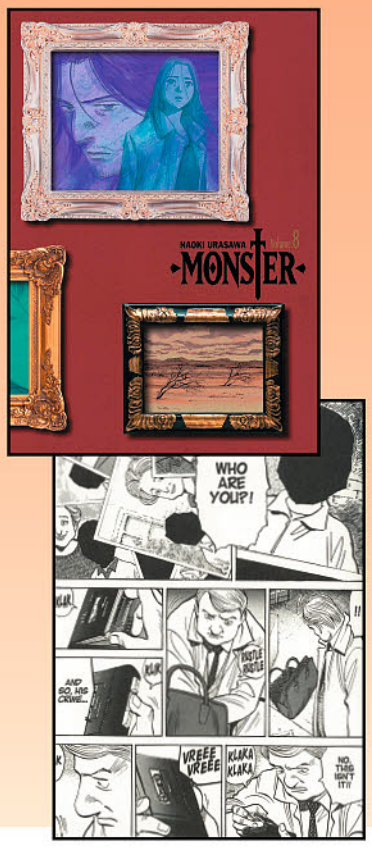

読漫画 MANGA MONTH

What manga would you recommend to read?

Naoki Urasawa's ***Monster***. It's hard to say enough good things about it. Great story, great characters, very well written. It builds suspense throughout each volume. It's not just a good manga, it's a great story, and even if you're not into manga, I think you'd like it. I understand the project is in development hell right now, but I'd love to see Guillermo del Toro produce it as an HBO series. It would be perfect in that medium.

USER'S GUIDE

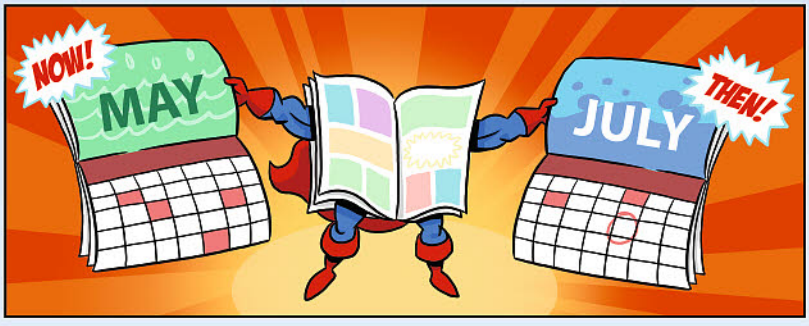

There's *a lot* of awesome comics and products to look through in ***PREVIEWS***. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use ***PREVIEWS*** like a pro to order the awesome titles and products you want!

Learn How to Use *PREVIEWS* to Order From Your Comic Shop!

WHAT EXACTLY IS *PREVIEWS*?

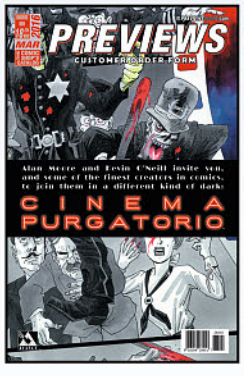

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log*!) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—***PREVIEWS*** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.

The most important aspect of ***PREVIEWS*** to remember is that **items solicited in the catalog are anticipated to ship 2-3 months later (or more)**. For example, if you found a comic you wanted in the May issue of ***PREVIEWS***, you can expect to see it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

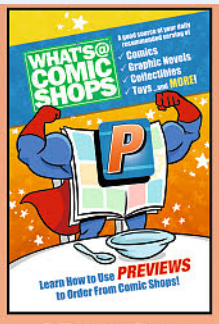

HOW DO I ORDER FROM *PREVIEWS*?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of ***PREVIEWS*** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

PREVIEWS LEGEND

Throughout this issue of ***PREVIEWS***, you'll find a variety of symbols and terms that will help you in selecting items from this catalog. Here's what they mean:

Gems of the Month
The top offerings, as chosen by our Premier Publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items
In other sections, you'll find Featured Items, the top monthly products offered in their categories.

Spotlight On
These items are not to be missed; highlighted to get your attention.

PREVIEWS Exclusive
These are items available only through ***PREVIEWS*** ! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme
Each month, ***PREVIEWS*** features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool
Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick
This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge
The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month
These are best-selling backlist items that are available for immediate order from your local comic shop. If your shop doesn't have a copy in store, they can order one for you and have in less than a week!

Offered Again (O/A)
These items have been previously offered before in ***PREVIEWS*** and are being made available again.

PI or Please Inquire
Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP
Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)
Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its ***PREVIEWS*** description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.

Where The Magic Of Collectibles Comes Alive!

SMASHING SUPERHERO AUCTION RESULTS

A CGC 9.4 copy of *Amazing Fantasy* #15 with Spider-Man's first appearance sold for $454,100 at Heritage Auctions on February 18, 2016. It set a record price at public sale for the 1962 comic in that grade.

Just a day later, ComicLink sold a CGC 9.6 *X-Men* #1 for a record $350,000. It sold on their Comic Book Exchange, an online marketplace for comic collectors, sellers, and investors.

ComicConnect saw impressive results in February when they sold *Amazing Spider-Man* #1 CGC 9.4 for $135,000 and *Tales of Suspense* #39 CGC 9.4 (first appearance of Iron Man) for $110,000.

The Legend of Zelda at 30

The Legend of Zelda recently reached its 30th anniversary. Released on the NES on February 21, 1986, it kicked off not just a game series but essentially the entire action-RPG genre. The goal is to complete the eight dungeons by beating their boss monster, reassemble the Triforce of Wisdom to unlock the ninth dungeon, defeat Ganon, and rescue Princess Zelda.

The Legend of Zelda became the first NES game to sell more than a million copies, and went on to sell 6.5 million. Since 1986, the series now includes 18 main entries, plus spinoffs, with the franchise as a whole selling more than 62 million copies.

GEM Exhibits on Amanda Conner & Alice in Wonderland

Geppi's Entertainment Museum (GEM) celebrates Amanda Conner's work with The Artistry of Amanda Conner, a showing featuring more than 45 pieces of Conner's original art. The exhibit opens April 2, 2016 and is scheduled to run through September.

Simultaneously, GEM will also launch a Disney's *Alice in Wonderland* Exhibit from the collection of Matt Crandal, with about 30 pieces of art and other items from *Alice*. Stay tuned to *Scoop* for future updates.

Every comic page needs to serve a purpose (not just for a joke). If it doesn't, scrap it or combine it with another page.

Jeff Parker *@jeffparker*
Anyone else found my Superman story in their Cheerios box this week?

Paul Tobin *@PaulTobin*
Just heard a maybe four year old boy greet his friend with "I'm late because of dinosaurs!" I'll be using this excuse from now on.

What's Cool in this Month's Catalog!

April 2016 | Edited By: **Allyn Gibson** | editor@*PREVIEWS*world.com

MARVEL'S HEROES FIGHT FOR THE FUTURE IN *CIVIL WAR II*

Imagine someone could precisely see the future. Crimes could be stopped before they happened. Accidents could be prevented. Tragedies could be averted. Someone with that power would change the world; if that knowledge were used the future could be made free of sorrow, pain, and adversity. Should certain knowledge of the future be used? Does anyone have that right? If you know a crime will be committed, do you have the moral right to stop it before it happens? And if the power were used, who gets to choose how it is used?

For the heroes of the Marvel Universe, these questions are no longer theoretical. An Inhuman develops the power of omniscient foresight, and the ramifications of this power will forever change the Marvel Universe in Brian Michael Bendis and David Marquez' *Civil War II*!

Some will want to use this power to help others, while some will want to prevent others from taking advantage of certain knowledge of the future. At stake is no less than the right to shape and control the future, and long-time allies and friends will find themselves on opposite sides of the question. When the arguments grow heated, events spiral out of control, and before long the heroes of the Marvel Universe are at war with one another, led by Iron Man on one side and Captain Marvel on the other.

Brian Michael Bendis has been at the forefront of the Marvel Universe's biggest events of the last decade, and he is joined by his *Invincible Iron Man* collaborator David Marquez for a story that will shape the Marvel Universe for years to come. Like the best Marvel Comics stories, ones that take real-world issues and explore them using super-heroes and their conflicts, *Civil War II* takes the issues of the surveillance state, profiling, extra-judicial drone attacks, and civil liberties in the age of terror and examines them through the prism of the Marvel Universe.

The ability to predict the future will tear the heroes of the Marvel Universe apart in this summer's blockbuster event!

Civil War II will force readers to re-examine their assumptions, consider the alternatives, and choose sides as long-time friendships and established teams are torn apart by the ensuing conflict. The battle for the future begins this June in Bendis and Marquez's *Civil War II*, and this is one event where no one will want to be on the sidelines!

STOCK UP ON CALENDARS FOR THE NEW YEAR

How long's the year? Fifty-two weeks long, right? Almost, but not *quite*. Fifty-two weeks. And one day. Except for every four years, like this year, when there's an extra day, a leap day. What a difference that day makes. A year that began on Tuesday ends on a Tuesday, with the following year beginning a day later on Wednesday. Perhaps we could take a page from our Hobbit ancestors that lived in the Shire ten thousand years ago, and set that extra day outside the fifty-two weeks. Leap days, too. Each year begins on the same day, year after year.

Until there's sensible calendrical reform that keeps the year opening on the say day of the week, year in and year out, there will always be a need for new calendars. Fortunately, PREVIEWS offers a wealth of calendars this month to satisfy virtually every fan. From this year's comic book films like *Batman v Superman: Dawn of Justice* and *Captain America: Civil War* to hit television series like *Doctor Who* and *The Walking Dead*, from comic book characters like Harley Quinn and Spider-Man to science-fiction blockbusters like *Star Trek Beyond* and *Star Wars: The Force Awakens*, ***PREVIEWS***' special Calendar section this month has the calendar you need to keep yourself timely in 2016!

418-424 ■ Calendars Various

258 ■ Dynamite Entertainment $3.99

MATT WAGNER CHRONICLES THE SHADOW'S GREATEST CASE

Legendary comic creator Matt Wagner (Grendel, Batman: Faces) writes and draws the ultimate adventure of the Shadow for Dynamite Entertainment, The Shadow: The Death of Margo Lane! The pulp action begins this June!

361 ■ Titan Comics $4.99

THE GAME IS ON IN TITAN'S SHERLOCK: A STUDY IN PINK

This summer, Titan Comics brings English-speaking readers the long-awaited translation of the Japanese Sherlock: A Study in Pink manga. Based on the first episode of the hugely popular series with Benedict Cumberbatch and Martin Freeman, no Sherlock fan will want to miss this!

232 ■ BOOM! Studios $3.99

SONS OF ANARCHY CREATOR KURT SUTTER RETURNS WITH LUCAS STAND

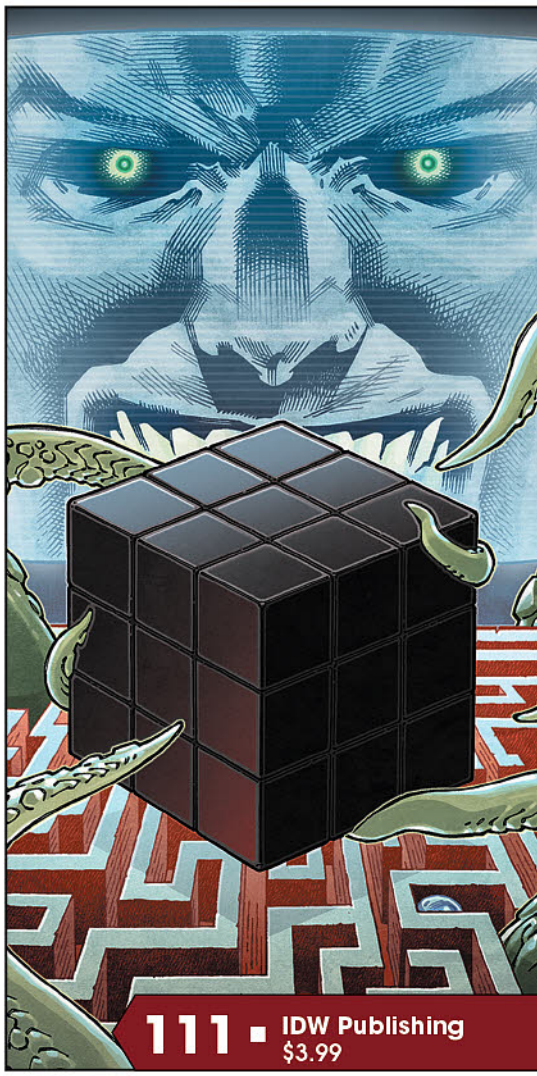

A former soldier finds a new calling as a bounty hunter of the supernatural for Hell in the new series of Sons of Anarchy creator's Kurt Sutter, BOOM! Studios' Lucas Stand! A visceral, hard-hitting series, Lucas Stand will shatter your expectations!

50 ■ Dark Horse Comics $3.99

HUMANITY CONFRONTS ITS CREATORS IN DARK HORSE'S *PROMETHEUS* MINI-SERIES

The need to understand our origins and our place in the universe has been a human longing since before recorded history. Cave paintings from tens of thousands of years ago show that our ancestors were fascinated by what lay among the stars. Ridley Scott drew upon legends, myths, and the human need for meaning with his film, *Prometheus*, and this June Dark Horse Comics continues the Life and Death story cycle with Dan Abnett and Andrea Mutti's *Prometheus: Life and Death*. Following the events of *Predator: Life and Death*, a squad of Colonial Marines have seized control of the horseshoe-shaped starship of the beings known as the Engineers. These Engineers may have engineered the creation of life on Earth billions of years ago, and the *Prometheus* expedition to planet LV-223 may have awoken those Engineers and alerted them to our existence. Now the Colonial Marines are trapped on a spaceship hurtling through space, at the mercy of one of those Engineers!

111 ■ IDW Publishing $3.99

EXPAND YOUR HORIZONS WITH *TALES FROM THE DARKSIDE*

In 1983, George A. Romero, the filmmaker behind *Night of the Living Dead*, brought a new horror anthology series to television, *Tales from the Darkside*. Running for four seasons, *Tales from the Darkside* captivated audiences with its chilling tales from some of the best horror and science fiction authors of the time. Thirty years later, Joe Hill (*Locke & Key*) developed a reboot of the series for the modern era for television, and though Hollywood passed, comic books did not, and Hill reunites with his *Locke & Key* collaborator Gabriel Rodriguez for a new four-issue anthology of horror, mystery, suspense, and malevolence in IDW Publishing's *Tales from the Darkside*! Discover the horrors that lurk inside the imagination of Hill and Rodriguez this summer!

ONE MAN EXPERIENCES THE MIDNIGHT OF THE SOUL THIS SUMMER

War changes people. War changed Joel Breakstone. He went off to Europe, like thousands of American soldiers in 1944 to fight the good fight. What he found, however, was evil. Pure, unadulterated, inhumane evil. He liberated the death camps, he saw the emaciated bodies, he saw the gas chambers, he saw what humans could do to other humans. He saw it all.

And it changed him.

For five years he drank to keep the memories at bay. For five years he tried to bury the things that he saw. For five years, he squandered a life that was full of promise before he went off to war. And now, the bills of the spirit from the past five years are coming due.

Joel Breakstone will face a *Midnight of the Soul* this June in Howard Chaykin's new Image Comics series. A powerful tale of loss, personal demons, and redemption, *Midnight of the Soul* will chart the journey one broken soul takes toward peace.

THE LATEST OVERSTREET ARRIVES THIS SUMMER

For nearly fifty years, *The Overstreet Comic Book Price Guide* has been the definitive source for information on what comic books are worth. From guides on how to grade a comic book's condition to prevailing prices on comics going back to before the dawn of the Golden Age, this book has been an essential part of every comic fan's library over the years. More than just a price guide, *Overstreet* has been a detailed encyclopedia to comicdom's history, with price listings that indicate first appearances, deaths, major events, and more. If a comic book existed, there's going to be a listing for it in *Overstreet*. The book is *that* definitive.

The 46th edition of Overstreet comes out this summer with two covers, a diptych piece by Amanda Conner spread across two covers, Power Girl on the left-hand side, Harley Quinn on the right. The book will be available in both hardcover and softcover editions, and fans are encouraged to order the hardcover edition from their local comic shop because it will be printed in limited quantities.

Pick up the latest *Overstreet* this summer and start making sense of your collection!

Comics' definite price guide returns this summer with its 46th edition, with Harley Quinn and Power Girl covers by Amanda Conner!

THE NEW TEEN TITANS ARE GO ON A NEW T-SHIRT

Marv Wolfman and George Perez's *New Teen Titans* was one of DC Comics' biggest titles in the 1980s. This summer, Junk Food Clothing recreates Perez's iconic cover to the first issue -- with Robin, Kid Flash, Changeling, Cyborg, Wonder Girl, Starfire, and Raven -- on a brand new t-shirt! Available exclusively through ***PREVIEWS***, the *New Teen Titans Putty T-Shirt* is retro chic cool!

438 ■ ***PREVIEWS*** **Exclusive Apparel** $17.99-20.99

BUILD KINGS LANDING WITH A NEW *GAME OF THRONES* PUZZLE

The sixth season of HBO's *Game of Thrones* begins in late April, and fans can return to its war-torn land of Westeros as never before with 4D Cityscape's new *Game of Thrones: Kings Landing Puzzle*! This 3-dimensional puzzle of the familiar location from the series includes both the walled city itself as well as the Red Keep that towers over the bustling medieval metropolis. Challenge your puzzling skills with the *Game of Thrones: Kings Landing Puzzle*!

464 ■ **Collectibles & Novelties** $29.99

KATIE COOK REDESIGNS MUNCHKIN FOR A NEW ARTIST'S EDITION GAME

Steve Jackson Games has been turning some of today's top artists loose on the fan-favorite board game *Munchkin*, and this summer it's Katie Cook's turn! Cook, the writer/artist of *Gronk* and writer of IDW Publishing's *My Little Pony*, reinterprets H.P. Lovecraft in her own style, producing the cutest insanity-producing game, *Munchkin Guest Artist Edition: Munchkin Cthulhu*! Thrills, chills, lunacy, and cuteness abound!

542 ■ **Games** $29.95

EAGLEMOSS LAUNCHES A NEW LINE, *THE DC COMICS WATCH COLLECTION*

Whether you're a comic book fan or an horologist, Eaglemoss has a new collection for you, the *DC Comics Watch Collection!* This collection of officially licensed quartz motion analogue watches will feature artwork, logos, and characters from your favorite DC Comics properties. The line kicks off with the *Batman V Superman Logo Watch*. The watch features a silicone strap and comes packaged in a collectible alloy tin!

464 ■ **Eaglemoss** $34.99

PAC-MAN AND THE GHOSTS ARE LOOSE WITH NEW FUNKO POP! FIGURES

For nearly 40 years Namco's Pac-Man has been one of the world's most recognizable video game characters, from his yellow head to his cheery countenance. The star of video games, television, and toys, Pac-Man, his friends, and his enemies are the latest pop culture characters to join Funko's fan-favorite *POP! Vinyl Figure line!* Fans of the games will find 3 3/4" tall figures of *Pac-Man*, *Ms. Pac-Man*, and his four ghostly frenemies -- *Inky*, *Blinky*, *Pinky*, and *Clyde*. Plus, there's a "*Blue Ghost*" inspired by the look of the ghosts after Pac-Man or Ms. Pac-Man eats one of the power pellets! These Pac-Man figures are so much fun, you'll feel the need to go off in search of cherries, strawberries, oranges, apples, and bananas!

BONGO COMICS FREE-FOR-ALL FCBD 2016 EDITION

(W/A/CA) Matt Groening

Get in line for the foremost Free Comic Book Day four-color giveaway of the year! Pieman and the Cupcake Kid take on a new crime team, Glutenus Maximus and his sidekick Gluten Tag, whose pastry-related misdeeds have led to a ban on all baked goods in Springfield! How will the heroic duo battle their foes without their arsenal of pies and cupcakes, and what's worse...what will Homer do without his daily dose of donuts? Then, after an unfortunate trip to the dentist, Principal Skinner is mistaken for a vampire. It doesn't help that Bart fuels the fire (and supplies the pitchforks) to an unruly mob uprising. All that and much, much more — and it's all *free*! (STK698612)

MIKE RICHARDSON LOOKS BACK ON 30 YEARS

The following are excerpts from an interview with ***PreviewsWorld.com****. To read the rest, head to* ***http://www.previewsworld.com/DH30th****.*

First off, congratulations on a spectacular three decades for Dark Horse! Can you give our readers a bit of history of how DH has evolved throughout its tenure?

Well, the company initially evolved out of my retail stores (it seems like yesterday). I was unhappy with much of what was being published at the time, and I hated the idea of artists and writers losing control of the intellectual properties they created. I decided to publish a comic with original material owned by the people who actually did the work. *Dark Horse Presents* #1 sold fifty thousand copies, and we were off and running. The company initially consisted of Randy Stradley, who quit his job with the *LA Times* when I told him about my new project, and myself. We pasted the first issue up on the counter of my Beaverton store. Dark Horse grew steadily and added both people and publishing projects as time passed. Now we have about 150 full-time employees working in our related divisions. We've evolved over the years, and now we have toy, Internet, digital, and film divisions, not to mention our original retail group. I think we've succeeded because we've done our best to respect the creators we work with and worked hard to offer quality publications and products at a reasonable price. I think also that we understand the retailers in the direct market because we've been retailers since I opened my first store in Bend, Oregon, on January 1, 1980.

You've been at the forefront of creators' rights since the beginning of your company. What sets Dark Horse apart from other publishers in that regard?

I think that in 2016 comics creators have more choices than ever. At Dark Horse, we try to negotiate a deal in which both parties can benefit. We try to be sensitive to their needs as well as our own. The market is tough right now, so we have to be very creative in trying to find ways to incentivize creators to bring us their books.

IT SEEMS AS THOUGH WE'RE ALWAYS GETTING READY TO ANNOUNCE SOMETHING BIG.

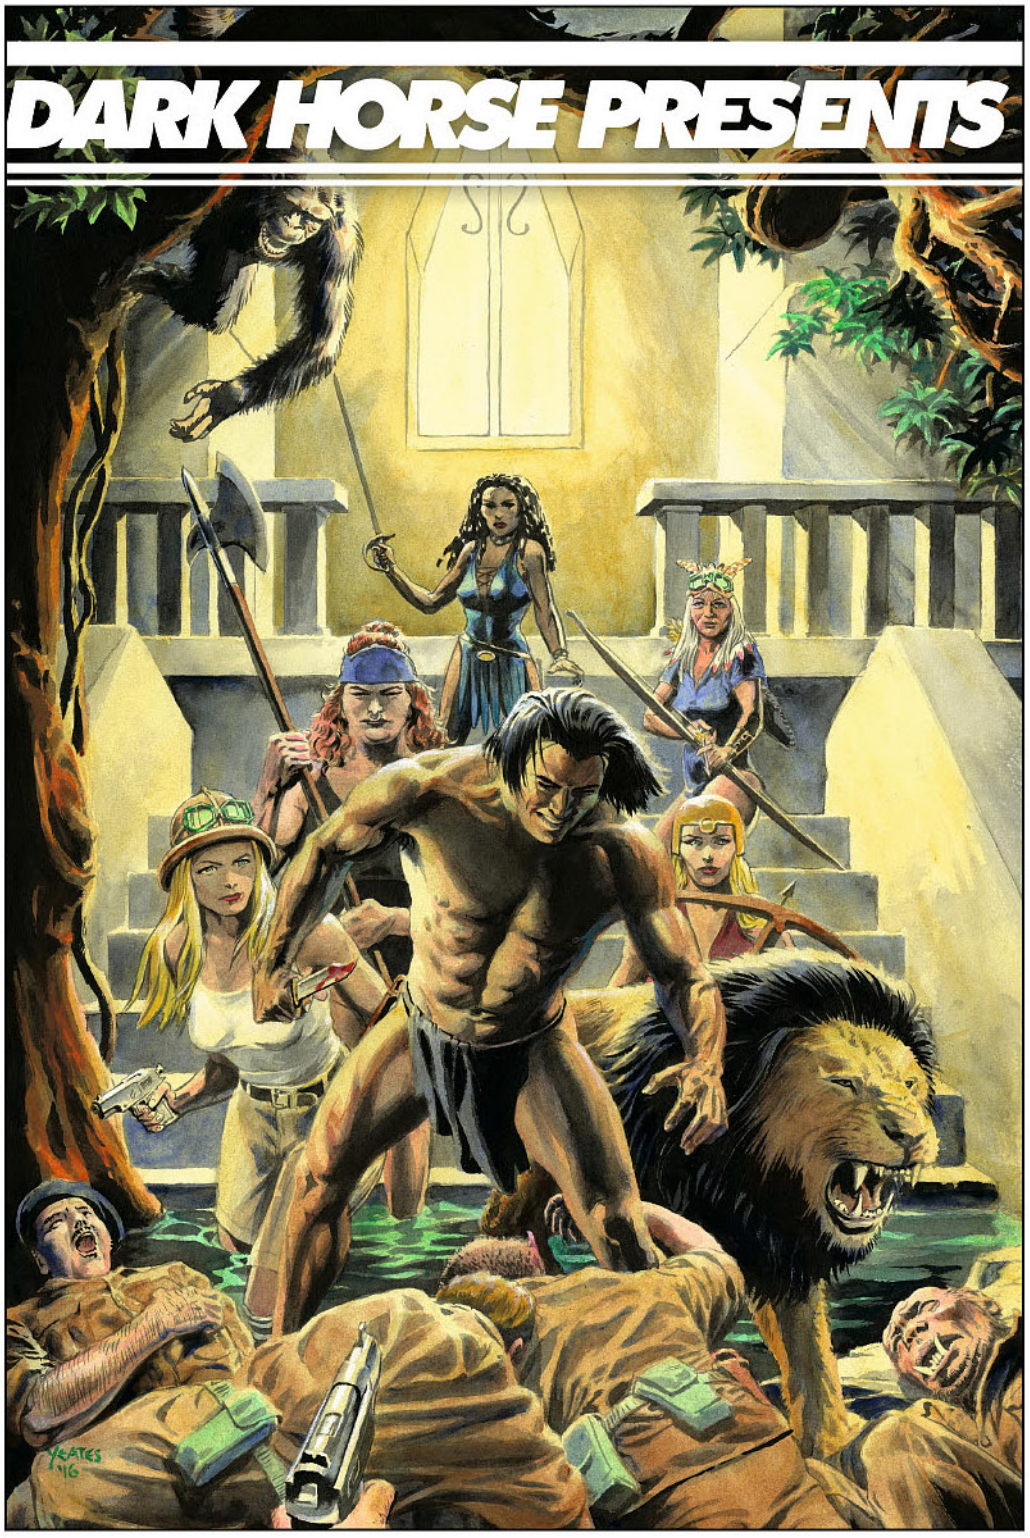

DHC continues to bring some of the most unique and challenging manga titles to comics. How does your manga team go about selecting series to pursue and ultimately translate and present to Western audiences?

We work closely with our Japanese partners, a practice that goes back to the late '80s. In those days, I would fly to Japan once or twice a year and end up in a bookstore in Tokyo, going through the manga section for hours. Now we have manga specialists in Michael Gombos and Carl Horn. They are immersed in the manga and anime scene, and they make suggestions as to which books are a good fit for Dark Horse. We continue to partner with some of Japan's greatest creators, a list that includes superstars such as CLAMP as well as legends such as Kazuo Koike and Yoshitaka Amano.

What's the "next big thing" from Dark Horse? What are you personally excited about coming from Dark Horse in 2016?

Well, it seems as though we're always getting ready to announce something big. Personally I'm excited about James Cameron's *Avatar*, which will be premiering late this year. We're working directly with Jim and Jon Landau, so it will be more than just a licensed project. With the three movies scheduled, it should be great fun for us, as well as a great series for retailers. We'll have an amazing incentive program for retailers. I'm also excited about Gail Simone's new creator-owned project, *Wonderfall*, which is scheduled as an ongoing series premiering in 2016. I'm a big fan of Gail's and feeling really good about her latest work being here at Dark Horse. Of course, bringing *Moebius Library* to our company is something I'm very proud of, and I'm looking forward to its October release. There's also a huge Neil Gaiman project that I'm probably going to get in trouble for even mentioning here.

Howard Phillips Lovecraft's stories shaped modern horror more than any other author's in the last two centuries: Cthulhu, the Old Ones, Herbert West: Reanimator, and more terrifying nightmares emerged from the mythos of this legendary writer.

Dark Horse teams up with Hugo and Bram Stoker Award–winning editor Ellen Datlow to bring you this anthology of original prose stories that are inspired by Lovecraft's mythos. Features work by Richard Kadrey, Brian Hodge, A. C. Wise, Siobhan Carroll, Orrin Grey, and many more, with a stunning cover by *Hellboy* creator Mike Mignola.

The streets of New York have been plagued by a pattern of crimes too weird and bizarre for the average detective. Lurking in the evidence are shadows of loathsome horrors from beyond space and time, seeking to usher in the unimaginable evil of the Old Ones. And the only man capable of fighting against the unspeakable terrors isn't a man at all. Detective Sebastian Greene is one of them—it takes a monster to catch a monster.

THE COSMIC COMET

CAST: Battle Cat, Beast Man, Cringer, Evil-Lyn, He-Man, King Randor, Man-At-Arms, Orko, Prince Adam, Queen Marlena, Skeletor, Sorceress, Teela, Zagraz

MEMORABLE QUOTES

"He'll soon wish he never even laid eyes on a comet." *[Skeletor prepares to attack Zagraz with the Cosmic Comet]*

"Let's see it chew on this." *[Man-At-Arms readies his Photon Blaster for the oncoming comet creature]*

BONUS: The Power of He-Man: Powered by the Sorceress, He-Man flies toward the Cosmic Comet and stops it in midair, preventing it from destroying Castle Grayskull. He falls back to the ground with a bump.

SYNOPSIS: As the Cosmic Comet passes over Castle Grayskull, Evil-Lyn utilizes its incredible power to lower the jaw-bridge, thereby gaining access for herself and Beast Man. However, He-Man, Battle Cat, and Man-At-Arms are waiting inside for them. After a brief skirmish, in which He-Man sends the two villains into a nearby mud pit, the Sorceress directs the heroes to visit Zagraz, the keeper of the comets, who lives on Zagraz Mountain.

A short while later, at the Royal Palace, King Randor gives Prince Adam, Man-At-Arms, Teela, and Orko permission to go on their mission.

Meanwhile, at Snake Mountain, Skeletor, Beast Man, and Evil-Lyn unite their evil powers and seize control of the Cosmic Comet. At Zagraz Mountain, the keeper of the comets explains that the Cosmic Comet was produced by his own foolishness, leaving him with little confidence in his own abilities. As the heroes listen to Zagraz's story, Skeletor uses the Cosmic Comet to send creatures to capture the comet keeper. The heroes are overpowered by the comet creatures, but when He-Man and Battle Cat appear, the tables are turned, and the creatures are quickly destroyed.

He-Man and company ride the Attak Trak to Snake Mountain, but they are effortlessly defeated by Skeletor and Evil-Lyn, now supercharged by the Cosmic Comet. The Sorceress magically transports the heroes back to Castle Grayskull, where, along with Zagraz, they are able to use their goodness to fuse some comet fragments together into a good Cosmic Comet.

As Skeletor and his warriors head to Castle Grayskull, Zagraz launches the new Cosmic Comet into the skies, where it collides with the existing Cosmic Comet, making it good once more. The villains flee as Zagraz's faith in his own abilities is restored.

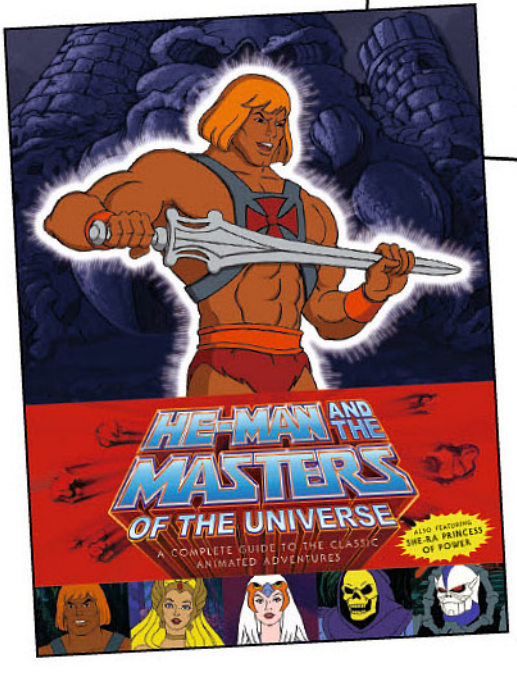

MORAL: MAN-AT-ARMS. "In today's story, Zagraz had a problem. He lost his confidence in himself because he had once failed. Well, now we all fail sometimes, but we should never be afraid to try again, and we should always keep believing in ourselves. As the old saying goes, 'If at first you don't succeed, try, try again!' Until later . . . bye."

REVIEW: For all its shortcomings, this episode spotlights evil at its best. Skeletor basks in the glow of being purely evil, as he is given a way to truly threaten Castle Grayskull. Both Evil-Lyn and Beast Man are given a chance to shine, too. With this in mind, the heroes become somewhat redundant after a while. The story involving their attempt to stop Skeletor is average at best, and they appear to be just going through the motions. While there is certainly room for improvement, the story is entertaining throughout. With the main elements combined–the Cosmic Comet, the Evil Warriors, and a serious threat against Castle Grayskull–the episode is surprisingly above average. 6/10

Robert Lamb's storyboard shows Orko cozying up to Teela.

The Witcher 3: Wild Hunt, created by CD Projekt RED, was the most popular and critically acclaimed video game of 2015. Dark Horse Deluxe, in partnership with CD Projekt RED, is proud to announce a high-end product line based on *The Witcher*. We start off the line with a stunning set of figures.

First up is Geralt of Rivia, the monster-slaying protagonist. The figure stands 8" tall and includes a 1.5" base. The next figure in the line is Triss Merigold of Maribor, the sorceress. The figure stands 7.75" tall and includes a 1.5" base.

Each figure is designed to the character's likeness, custom painted, and displayed in a deluxe window box.

REBIRTH
WATCH FOR THIS MONTH'S SOLICITS IN
THE DC PREVIEWS CATALOG –
COMING SOON!

A SPECIAL NOTE ABOUT DC'S SOLICITATIONS FOR APRIL PREVIEWS

DC UNIVERSE: REBIRTH is coming from DC Entertainment in June—and to celebrate that momentous event, all of DC Entertainment's products for this month will be solicited in a special stand-alone catalog called DC PREVIEWS!

DC PREVIEWS will feature the full solicitations for June on-sale comics (plus one very important comic hitting stores on May 25), along with July trade paperbacks, August hardcovers, October DC Collectibles items and more!

We're keeping some of the details of REBIRTH under wraps just a little longer—but in the next few pages you'll find some of this month's highlights, including the new, original graphic novel DC SUPER HERO GIRLS: FINALS CRISIS. For full solicitation info, watch for DC PREVIEWS arriving in stores on April 13—or you can check online for information.

TEENAGE MUTANT NINJA TURTLES: SHADOWS OF THE PAST GAME

Teenage Mutant Ninja Turtles: Shadows of the Past is a miniatures combat, scenario-driven campaign game that features story content from the IDW *TMNT* comic.

Taking the role of their favorite Turtle or the ultimate villain Shredder, players battle their way through a series of 60-90 minute missions in which they develop their characters' strengths, fighting styles, and equipment along the way to create a lasting story arc. Fan-favorite characters like Casey Jones and Alopex appear throughout the missions as the Turtles call on their closest allies for help in battling their deadliest foes.

Designed by premiere game designer, **Kevin Wilson** (*Descent, Arkham Horror*) and featuring more than 40 sculpted miniatures, 12 unique maps and over 100 cards featuring all-new original artwork, *Teenage Mutant Ninja Turtles: Shadows of the Past* is the definitive gaming experience. Featuring art by **Tony Vargas!**

BACCHUS: OMNIBUS EDITION, VOL. 2

Certified Cool

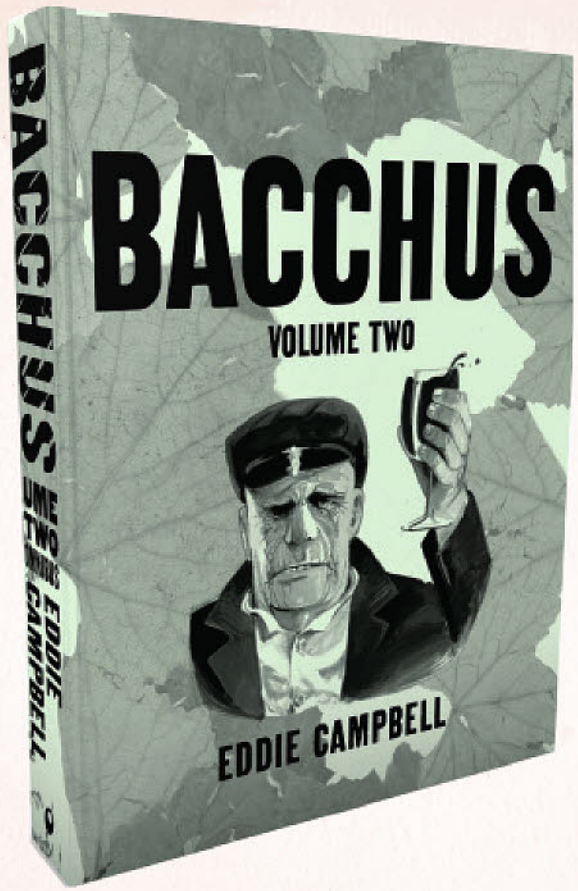

writer/artist/cover **Eddie Campbell**

Eddie Campbell's *Bacchus* is a true epic, spanning a decade of work, over a thousand pages, and several millennia of alcohol consumption. In *Bacchus*, the visionary behind *From Hell* (with **Alan Moore**) and *Alec: The Years Have Pants* presents his version of "an American-style comic book," filtered through his own brilliant, whimsical, and wide-ranging sensibility. With a fine blend of action, comedy, suspense, and an ear for a great story, *Bacchus* brings the gods and myths of ancient Greece to modern life, as if they had never left. Nearly 600 pages, this deluxe volume collects the second half of the *Bacchus* saga with new notes and commentary by the author.

INTERVIEW

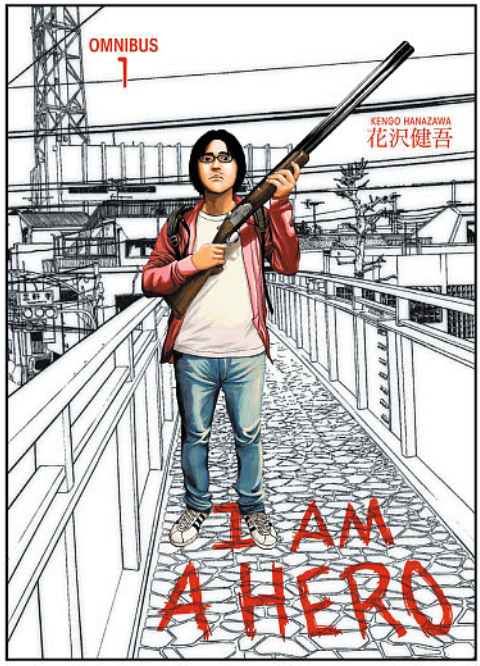

PHILIP R. SIMON

読漫画 MANGA MONTH

An Eisner, Harvey, and Eagle Award-winning and multiple New York Times Bestselling editor, Philip R. Simon, has been with Dark Horse Comics for sixteen years. We caught up with Philip for our Manga Month feature and discussed his work and what he likes about Japanese comics.

You've been with Dark Horse for a long time—tell us about what you've worked on for the company!

I oversee Dark Horse Manga's long-running *Blade of the Immortal* program, and I'm the English-language script adapter and editor on numerous Japanese and Korean series published by Dark Horse (such as *I Am A Hero*, *Eden*, the *FLCL Omnibus*, *MPD-Psycho*, *Blood+*, and *Bride of the Water God*). In addition to working on several licensed properties (*Conan*, *Aliens*, *Plants vs. Zombies*), I've spearheaded a myriad of very different projects over the years, from archival reprint series (*Crime Does Not Pay Archives*, *Creepy Presents Richard Corben*, *Tarzan: The Joe Kubert Years*) to creator-owned graphic novels (*Blood Song*, *Concrete Park*, *Finder*, and Peter Bagge's *Reset*) to Dark Horse ambitious *Plants vs. Zombies* all-ages program and upcoming *Moebius Library* series.

What are you currently working on?

Recently, I've been working on our *Blade of the Immortal Omnibus* program, mapping out the contents and covers for the first several volumes in this new omnibus series, and I've been wrapping up design work on *I Am a Hero* Volume 1 as I begin script work on *I Am a Hero* Volume 2!

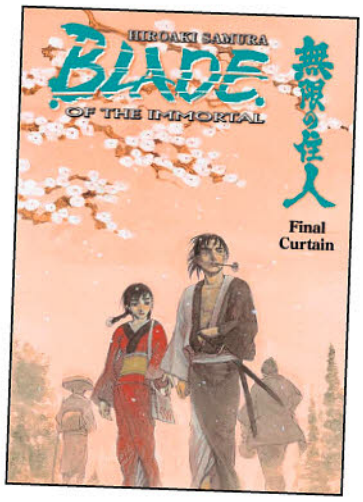

What are your favorite manga titles you've worked on?

Blade of the Immortal, Hiroaki Samura's *Emerald* and *Ohikkoshi* short story collections, *Eden: It's an Endless World*, Hiroki Endo's *Tanpenshu* collections, *MPD-Psycho*, *What's Michael?*, *Blood+*, *Blood-C*, and the *FLCL Omnibus*, to name a few. I've probably found myself the most immersed and invested in the characters featured in *Blade of the Immortal* over the years, since I've been working in this manga series for Dark Horse Manga since March 2000, when I was first hired on as an Assistant Editor. I've worked on a good chunk of *Blade of the Immortal*, editing and providing English-language adaptation work, and Samura's characters Rin, Manji, Giichi, and Magatsu are some of my favorite literary characters of all time now.

You've seen so much manga over the years, what artists and creators have influenced you the most?

When I was younger, Katsuhiro Otomo's *Akira* and *Domu: A Child's Dream* manga, definitely. Now that I'm older – and since I watched his development intimately over the years – I'd say Hiroaki Samura and his long-running *Blade of the Immortal* series and also the series *Real*—which is Takehiko Inoue's moving series about loss, recovery, and wheelchair basketball.

What is your favorite manga?

Currently, I'd say Inoue-*sensei*'s *Real* series. I appreciate its unflinching gaze at life's difficulties and those special people in our lives who help us rise above loss and seemingly-hopeless circumstances.

What manga would you recommend readers pick up today?

Right now, my favorite female creator from Japan is Q Hayashida. Her *Dorohedoro* series is imaginative, violent, and hilarious. My current favorite male creator is Takehiko Inoue, whose underappreciated manga series *Real* is actually my favorite over any of his more popular works, like *Vagabond* or *Slam Dunk*. Some of my favorite Dark Horse series (that I'm not working on) are *The Kurosagi Corpse Delivery Service*, *Berserk*, all of the great Satoshi Kon works that Dark Horse Manga is finally bringing to English-reading eyes, and our Katsuya Terada books. Out of what I personally work on, I'd love for more readers to discover *Blade of the Immortal* and read it all the way out to the expertly-paced, heartbreaking volumes that conclude this epic series.

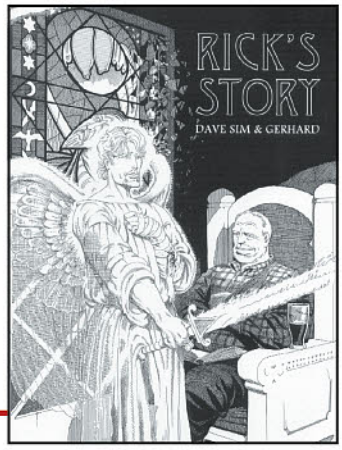

"RIN, MANJI, GIICHI, AND MAGATSU ARE SOME OF MY FAVORITE LITERARY CHARACTERS OF ALL TIME NOW."

LA MUERTA: DESCENT #1

Recommended by Sarah Martinez

Southwestern City, USA. A combat veteran has returned home from the Middle East to find her city and her family tangled in the vicious machinations of kill-crazed cult of drug dealers. Drawing heavily on Hispanic-American Catholicism and culture, Brian Pulido's new femme fatale series mixes fantasy elements *a la The Crow* with a grindhouse aesthetic worthy of Tarantino.

This title follows in the tradition of many great stories, from the Greek classics to the nineties' comics' favorites: a trained fighter returns home to find loved ones beset by evil forces and takes vengeance for the wrongs done in their absence. Whether we're talking about Odysseus or Spawn, it's a great theme rich with possibilities and Pulido and his team dig right into it. In the first issue alone, we see the parallels between the Afghan desert where Maria served and the deserts of the southwest US where she will serve a higher power. We see the links between the US war against Terror and La Muerta's own war against the drug dealing cult that holds her city in thrall. Repeated visual allusions are made via lighting, statuary, and symbols to La Muerta's holy duty—her divine charge—to bring the villains to justice. This is more than one ex-soldier's obsession and anger, this is crusade.

Gangland gunplay from beyond the grave.

MAIN COVER

Color, 32 pages, Teen +

STAFF PICK

Retail Price	$3.99
Cover	Mike Wolfer
Writer	Mike Wolfer
Art	Giancarlo Caracuzzo

One hundred years ago, Bowen Tyler, a handful of British allies, and the crew of a German U-33 submarine were lost at sea. What they discovered was something that defied time, and all of known science: the island of Caspak! Hidden inside impregnable rock walls lay a prehistoric world, filled with terrifying creatures and murderous primitives from every era of time and evolution. Somehow, the island was never again found, and the stories of the survivors of Caspak were considered fantasy. Today, an expedition has been launched by Tyler's great granddaughter Abby, a quest to find concrete evidence of his adventure. But what she and her research team will uncover is something far deadlier and more shocking than they could ever have imagined, as the modern day explorers find themselves thrust into The Land That Time Forgot!

MIKE WOLFER, WRITER

Edgar Rice Burroughs'® The Land That Time Forgot Roars into Comics

Modern popular fantasy, and comic books themselves, owe much to the works of Edgar Rice Burroughs. He was a true visionary, who conceptualized bizarre, new worlds and populated them with compelling and heroic characters who became the templates for a countless number of creations in pop culture over the last century. The ERB characters who resonated most with me were those of the "Caspak Trilogy," which began with "The Land That Time Forgot." And, of course, there were dinosaurs! But aside from the sensational aspects of the story, "The Land That Time Forgot" is an adventure that highlights pure heroism in the face of certain death. It's the characters' strength, and their moral fortitude, that is the embodiment of the high adventure genre, and it's that exact formula that I'm following in this series. "Prisoners of Caspak," our first three-part tale, isn't a "reimagining" or "reboot" of Burroughs' tale, and it's not a "remake," either. This is a direct sequel to the original Caspak Trilogy, featuring the same characters from the novels, as well as a cast of new characters, in what I feel is an organic progression of the story. And, of course, there are dinosaurs!

DEATH'S DARK ANGEL #1 MAIN CVR

B&W, 48 pages, One Shot, Teen+, $4.99
Artists: Neil Vokes, Rich Rankin; **Writer:** Jack Herman; **Cover:** Neil Vokes

It's the 30th anniversary of Neil Vokes and Rich Rankin's innovative black & white comic Death's Dark Angel! Originally published as Death's Head by Crystal Comics, the story featured the deadly future echo of Eagle which evolved into a terrifying twisted version of the man he was. Now the silent killer has turned his sights on his past self and is set upon destroying those in the way of his singular mission. This edition has been fully remastered with an incredible ink wash finish that brings new life to the original story pages. And the Vokesverse continues to expand and gives us a first look at an all new Death's Dark Angel story coming later this year! This is the ultimate introduction to the fertile imagination and characters of a comic book artistic legend!

Cover: Kevin O'Neill
Writers: Alan Moore, Garth Ennis, Max Brooks, Kieron Gillen, Christos Gage
Artists: Kevin O'Neill, Raulo Caceres, Michael DiPascale, Ignacio Calero, Gabriel Andrade
MR, B&W, 48pp, Ongoing Monthly, No Ads

About: Welcome once again to the theatre of the macabre! Alan Moore and Kevin O'Neill are your hosts as the finest creators in all of comics join us in an anthology to end all anthologies. Cinema Purgatorio is the ongoing monthly series which brings together the powerhouse creators to tell stories that only Avatar Press could. These tales claw into your brain and nest there as you attempt to recover from the horrors you've witnessed. Illustrated in stark moody black & white, every page of this series is filled with visions from the minds of your favorite creators. Every issue is perfect-bound, with no ads, and all of the works are very long-form, there are no collections planned before 2018. Jump in now and embrace the new future of comics.

The one of which Alan Moore has always dreamed. It's here, now. Hiding in the dark corner. Welcome to Cinema Purgatorio.

NOW PLAYING:

Cinema Purgatorio - Alan Moore and Kevin O'Neill take a trip through the dark recesses of cinema, the people behind it, the damage it has done, and the story of one woman forced to bare her soul, one short film at a time. Every issue and every story is radically different yet all weaved into one tapestry of breathtaking complexity as only Alan Moore could do.

A More Perfect Union - Max Brooks and Michael DiPascale bring Max's heavily-researched and period authentic story of the Civil War to life. But this time, the South has been invaded by Giant Insects.

A More Perfect Union: **$5.99**

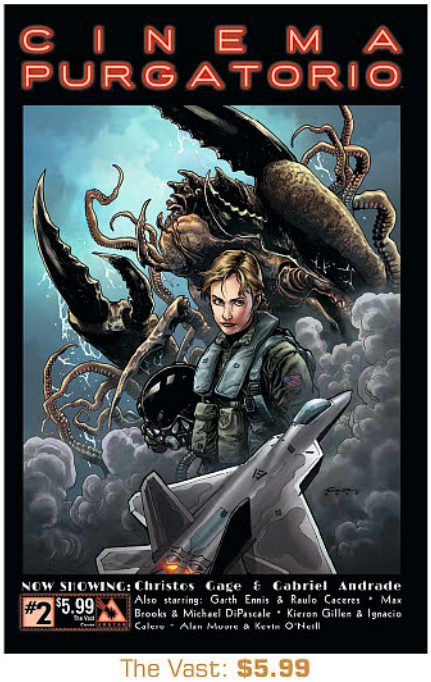

Code Pru: **$5.99**

Code Pru - Garth Ennis and Raulo Caceres continue the night shift FDNY paramedic Pru as she tries to grasp the scope of her job. Like how to offer Frankenstein's monster medical assistance.

Modded: **$5.99**

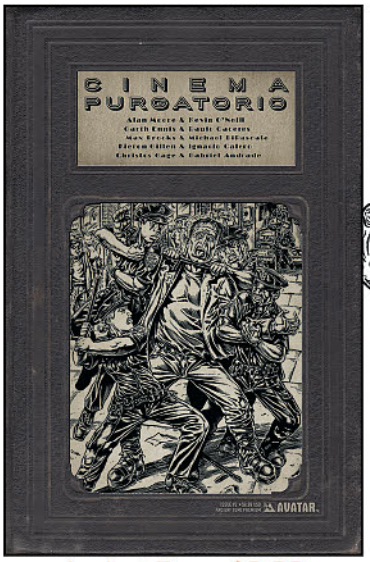

Modded - Kieron Gillen and Ignacio Calero serve up a future where monsters are pitted against each other, with a goal of catching them all? This issue - Bloody Susan and Mr Boom have to show Fringe the way to get a new daemon!

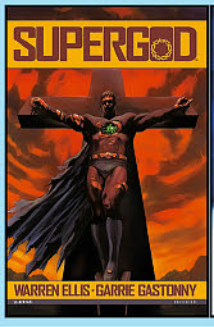

The Vast: **$5.99**

The Vast - Christos Gage and Gabriel Andrade bring a new kind of giant monster story to life! Apex is not only seemingly impossible to kill, but he leaves a trail of mutation and new monsters in his wake!

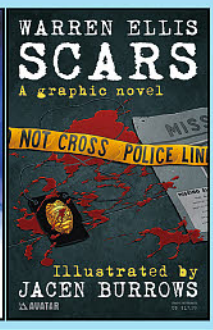

Each story has its own cover by the series artist and there is also an Ancient Tome Premium edition limited to 1000 copies. Now please take your seat, the finest comics in the world are about to begin.

MR, Color, 40pp (no ads), #9 of 12

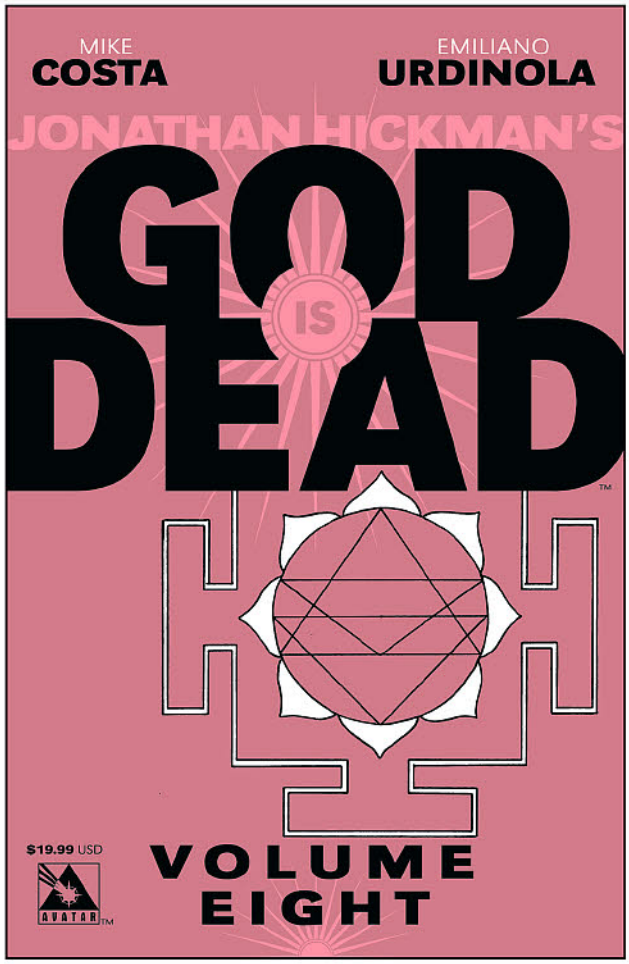

About: The world of H.P. Lovecraft has begun to invade the mind of Robert Black. His quest began as project to write a book but the more he is exposed to these horrors the closer to the edge of insanity he is pushed. The cracks in the world seem to be widening as he nears some inexplicable crescendo of horror. Alan Moore and artist Jacen Burrows have created the most realized version of Moore's Lovecraftian vision ever published. Fans and classical scholars have flocked to the pages of Providence to decipher the many layers of story being told in this masterpiece. Moore has written every cover detail, every single page, and every nuance of this work to create an unforgettable series. Fans of Moore's immersive style and meticulous grasp of storytelling will be thrilled to add this essential piece of comics history to their collections! Available with Regular, Pantheon, Portrait, Dreamscape Wraparound, Women of HPL, and a special Ancient Tome Incentive cover, all by collaborator Jacen Burrows.

THE EPIC CONCLUSION!

About: The world of God Is Dead has explored incredible miseries at the whims of the returned gods of legend. Jonathan Hickman's universe of divine materialization has captivated readers and Mike Costa has turned that flicking light into a raging bonfire. The god-weary world has come to the final chapter in this original mythological mash-up. Now as the Trickster gods unleash the power of the god-killers, the fate of both divine and mortal have come to the end of the line. Join us as the last chapter of God Is Dead unwinds and the final pieces of the puzzle fall into place. The end is nigh! This volume collects issues #43-48 of the God is Dead series.

Nautical Noir! In an issue featuring only the colors black, white, and yellow, Bikini Bottom is revealed as a soggy center of underwater crime, suspense, and paranoia. In "The Wrong Sponge," SpongeBob is framed for the crime of vase-theft! And only Patrick can save him-so he's sunk. Then in "On the Lam," meet a thief pursued across the oceans by this one relentless little square guy. And once you read "The Clarinet of Dr. Calamari," you'll never look at octopi, reed instruments, or German Expressionist cinema the same! Plus: learn why Mermaid Man fears Crime Gully, see Patrick solve a non-crime, and more! (STL006751)

WHAT'S TO LOVE

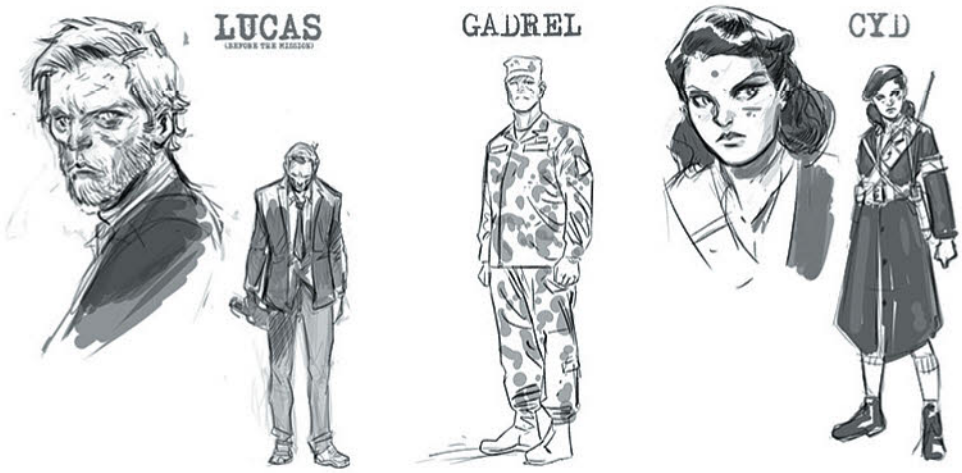

Ever since we first saw ***Sons of Anarchy***, we knew creator Kurt Sutter had an amazing comic book story in him. Now we've got it in ***Lucas Stand***, his first original comic book series. If you've been looking for a new antihero like Jax Teller to root for, Lucas Stand fits the bill.

WHAT IT IS

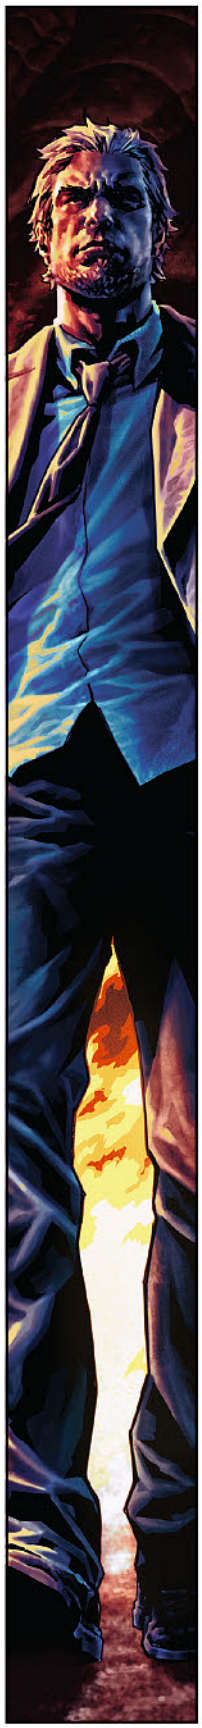

Lucas Stand is a military vet who can't reintegrate into society and has emotionally cut himself off from the people he loves. At his lowest, Lucas does something he can't take back. Hell comes calling, offering him the opportunity to make things right. Demons escaping Hell are upsetting the balance of evil, and now Lucifer has recruited Lucas to send them back. It doesn't matter in what era the demons escape—World War II, old-timey Hollywood, Vietnam, present day—he must learn to fit in both the past and the present. Given new purpose, Lucas starts to rebuild himself and his life, even as he struggles at the human cost that comes with it.

WHAT'S TO LOVE

We adore DC's *Gotham Academy* and it's been on our wish list to have them somehow meet the Lumberjanes. From the great characters to the fun stories, we saw a world in which these two groups could coexist. Fast forward and here we are—the crossover event we've dreamed about and can't wait to bring to you!

WHAT IT IS

Something sinister is happening at a mysterious building deep in the woods, drawing the Lumberjanes and the Gotham Academy kids separately to investigate. Is it a weird cabin? An abandoned asylum? The two groups band together to find out what exactly is going on. Featuring a connecting subscription cover by Kelly & Nichole Matthews *(Toil and Trouble)!*

Covers by **Greg Scott** with **Scott Newman**, **Ryan Stegman** *(INCV)*
$3.99 • 32 Pages • Full Color

WHAT'S TO LOVE

Writer Charles Soule *(Daredevil, Civil War)* crafted a mind-bending story about how chaos math kept New York City from collapsing under itself. Presented for the first time as a limited series, each oversized issue of ***Strange Attractors*** features 30 pages of content, including new, never-before-seen bonus story pages.

WHAT IT IS

Dr. Brownfield believes that a series of cataclysmic events are coming to New York City, and someone has to keep the city safe after he's gone. Enter Heller Wilson, a brilliant mathematics student, who discovers that his ailing, perhaps insane, mentor has been saving New York City from societal collapse by a series of "adjustments," a la the Butterfly Effect. But now, all signs point toward an impending disaster. Can Wilson take what little he's learned and save the city in time?

WHAT'S TO LOVE

From Archaia, the publisher of fine fantasy stories like ***Mouse Guard*** and ***Jim Henson's Tale of Sand***, comes a grand adventure story filled with unexpected allies and enemies alike. ***The Cloud*** is an original graphic novel that beautifully examines themes of strength, bravery, love, and loss. Fans of Kazu Kibuishi's *Amulet* or the beloved children's fantasy *The Never Ending Story* will delight in ***The Cloud***.

WHAT IT IS

"What is a wish?" That is the question the boy must answer for himself as he and his loyal wolf, Cloud, embark on a grand voyage to find the boy's father and return the wish that was stolen from him. ***The Cloud*** is a beautiful, and at times, heartbreaking journey of a reluctant hero forced to outwit a cast of colorful characters: a thieving girl, bizarre creatures from the Great Before, and the Mad King. It's a quest of self-discovery where the boy will learn that not all wishes can or should come true.

MISTER MYSTERY #12 FLASHBACK REPLICA
(A) Hy Fleishman (CA) Bernard Baily
Mister Mystery #12 is probably the most famous pre-code horror cover. The "injury to the eye" motif was used to great extent and solidified its inclusion as evidence of the war on comics in the 1950s. *Mister Mystery* #12 is an exact replica of this scarce issue. It is 36 pages of fully restored artwork and is the twelfth issue of CSP's *Flackback Replica* series. (STL006758)
36pgs, FC $14.99

MOON GIRL #6 FLASHBACK REPLICA
(A/CA) Sheldon Moldoff
Moon Girl #6 is an exact replica of this scarce 1949 EC issue. It is 36 pages of fully restored artwork by Shelly Moldoff. This is the thirteenth issue of CSP's *Flackback Replica* series. "It would be easy to expect this heroine to be a rip-off of Wonder Woman, but instead she's so much more: smart, forthright and confident." — *Comics Bulletin*. (STL006759)
36pgs, FC $14.99

THE SENATE HEARINGS ON JUVENILE DELINQUENCY MMPB
For three days in 1954, the US Senate debated comic books and their impact on juvenile delinquency. These Senate hearings almost destroyed the entire comic book industry and resulted in the adoption of the Comics Code. Entire comic lines and publishers ceased to exist following these hearings. CSP presents these historic hearings in their entirety. Read the testimony of comic legends Willima Gaines, Walt Kelly, Milton Caniff, and others. (STL006761)

BIRD IN A CAGE GN
(W/A/CA) Rebecca Roher
Once a sharp, strong-willed and independent woman, Roher's grandmother's life took an unexpected turn when an accident left her with a brain injury, leading to early onset dementia. This story, by a CCS graduate, illuminates the often overlooked narrative of a senior, her complicated history, and inner life. Loveable and tragic, she is determined to get back to a familiar place, to be home again. Exploring memory, the idea of place, and the power of song to transcend dementia, *Bird In a Cage* tells the story of one woman's search for home and the strength of family to try and bring her back. NORMAN #1

Recommended by Travis Reid

Quite odd, and extremely entertaining! *The Life of Norman* is a passage of hope in this brutal tale of savagery that answers the question – Can child killers find true love? The story kicks off when Norman's friend, Grace, plays a game of hide and seek with a murderer responsible for the death of her classmates. Selfishness and survival are the main lessons taught in class, where kids are trained to keep the teacher from being arrested. It seems like the chances for life, love, or even longevity are slim. Entrenched with vibrant colors, the chibi-like art style helps set the stage for fun surprises in this horror-comedy.

Written and illustrated by Stan Silas, the award winning graphic novel continues in single issue format. If you loved *Lenore* or *Emily the Strange*, this book is an absolute must have!

THE SHADOW: THE DEATH OF MARGO LANE #1 (of 6)

Matt Wagner cover A

THE FIRST-EVER DYNAMITE SERIES WRITTEN AND ILLUSTRATED BY MATT WAGNER!

(The Shadow vs. Grendel)

"Matt Wagner excels at pulp. While other authors have gone down the road of making use of the tropes – modernizing it, using it ironically, sticking elements of it in different genres – Wagner comes across as though he's traveled to modern times from the era in which it was birthed."
– WeTheNerdy.com

Legendary creator Matt Wagner returns to both write and draw an all-new tale for the first and most famous of all pulp heroes, The Shadow! Following his critically-acclaimed work on The Shadow: Year One and Grendel vs. The Shadow, Wagner once again lends his masterful talents to unveil "what evil lurks in the hearts of men." In a storyline that is sure to rock The Shadow's relentless crusade against crime, Dynamite is proud to bring readers The Death of Margo Lane — a five-issue series written and drawn by Wagner and colored by his talented son, Brennan Wagner. For years, Margo Lane has served as The Shadow's faithful "friend and companion", the closest and most intimate of all his many agents. But when will that proximity to The Shadow's dark and violent world take its ultimate toll on her? And what effect will his lover's loss have on the driven and brooding Master of Darkness? This series presents a powerful and resonant tale in the sort of pulse-pounding pulp style that only Matt Wagner could deliver!

A SPECIAL, ADVANCED LOOK AT THE INTERIOR ART TO THE SHADOW: THE DEATH OF MARGO LANE #1!

PENCILS AND INKS BY MATT WAGNER, COLORS BY BRENNAN WAGNER

"I've been a longtime Shadow fan for many, many years. Over the course of my career, I've not only enjoyed distinction for my own characters and story-lines but I've also been lucky enough to work on so very many of the titles that inspired me as a youngster. Of those many pop culture icons, the last one on my bucket list was to someday get a crack at The Shadow. I first got that opportunity by writing and providing cover art for YEAR ONE. Then, I followed that up by both writing and drawing GRENDEL VS THE SHADOW. And I found that I really loved drawing The Shadow and the 1930s setting that frames his adventures. When I came up with the idea for this series, I knew I wanted to draw it as well. And I'm having a blast on it, to say the least!" – MATT WAGNER

Detective-Sergeant Kate Burnham isn't making any friends in the Washington DC Police Department. That makes her the perfect scapegoat when a routine homicide investigation threatens to blow open a criminal conspiracy that reaches to the upper echelons of the DC power elite. Kate makes it go away, or they make her go away. Cop or criminal, power is all about control, applied top-down from the penthouse elite to the hustlers on the street. But what happens when the street pushes back...?

CONTROL #1 INTERVIEW W/ ANDY DIGGLE & ANGELA CRUICKSHANK

SPOTLIGHT ON

Andy and Angela, you're bringing the intense, politically-charged police procedural *Control* to comics in June. Let's first take a look at Kate Burnham, the core character of the series. How would you describe her?

ANDY DIGGLE: Kate's a detective-sergeant in the Washington DC Police Department, and she's been there long enough to know that just being good at your job isn't necessarily enough to get you to the top. She's a very private person, and in order to make her way in a tough business she's had to build a protective wall around herself, which can make her seem a little stand-offish.

ANGELA CRUICKSHANK: Kate's partner describes her as "a mystery inside an enigma wrapped in a Versace trouser suit". And it winds him up! We live in a world where people think nothing of sharing every part of their lives in public via social media. Everyone wants to be on tv, to be a celebrity – to be seen. And so we get suspicious when somebody doesn't play ball. Kate's colleagues, the media, everyone wants to know… what does she have to hide?

ANDY: Fortunately, she doesn't particularly give a damn what others think of her, as long as she gets the job done. She's not one for playing political games. Which could prove to be a problem, given the city she's in.

When CONTROL was originally announced, Andy was quoted as saying, "If you like *The Wire*, *Damages*, *State of Play*, or *Homeland*, then hopefully *Control* will be just the comic you've been waiting for!" What do you see as the appeal of such shows, and which of their traits do you expect fans will enjoy in CONTROL?

ANDY: We've set ourselves a pretty high bar by listing so many well-written shows. What were we thinking? I guess really it's about setting a certain tone and a certain set of expectations. We wanted to do something genre-based but still very much character driven that respects the intelligence of the reader. A story about gray areas and ugly compromises, the way the world really works. It feels gritty and grounded but the stakes are incredibly high.

ANGELA: I guess for me the appeal of those shows is the power play. From the street corners to the corridors of power, everyone wants to be on top and some have to fight harder than others to get there, for others the challenge is just not getting crushed under everyone else's feet. Watching the rise and fall of your favourite characters, where only the most devious and cunning can survive and keen wits are everything, that's what I love.

I'm sure fans would love to get some insight into the creative process behind *Control*. What can you share about the series' development, and how you collaborate on the project?

ANGELA: I think we complement one other, coming at the story from very different angles. I work in theatre and for me everything flows from the character and what they want. Andy is brilliant at plotting, which is absolutely key in a story like this to keep things cracking along at a pace and give the reader just enough information to keep them guessing.

ANDY: Whether you're a cop or a crook, you've always got pressure coming down from above. It's always the folks at the bottom of the food chain who pay the price for the mistakes of those above them. So it's a story about exploitation. Who has the power and how it's exerted, whether political, legal, physical, sexual. Persuasion, blackmail, extortion, murder. Hence the title, CONTROL.

I started with a general sense of the themes and the grand conspiracy that forms the background to the story. Once I started discussing it with Angela, the characters sprang alive. A lot of pacing around the room, throwing out ideas, changing direction. So they initial story outline was a very collaborative. With a conspiracy story you have to start at the end and work backwards. You have to know what the hero is going to uncover – or fail to uncover! – at the end, and then show them working their way in towards it from the outside. Like peeling away the layers of an onion.

Once we had the initial outline locked down, Angela would write the first draft of each script, which I'd then polish, and then we'd knock it back and forth until it shone. We wanted to get a rhythm to the dialogue, give the characters room to live and breathe the way they do in good TV drama. Of course space is time in comics, and dialogue takes up both, so it's a challenge. But I think we pulled it off.---

After a mission of vengeance in Helsinki, James Bond returns to London and assumes the workload of a fallen 00 Section agent. His new mission takes him to Berlin, presumably to break up an agile drug-trafficking operation. But Bond has no idea of the forces gathered in secret against him, the full scope of an operation that's much scarier and more lethal than he could possibly imagine. Berlin is about to catch fire... and James Bond is trapped inside. Dynamite Entertainment proudly presents VARGR, the debut storyline in the all-new James Bond comic book series, as crafted by masterful writer Warren Ellis (Transmetropolitan, The Authority) and artist Jason Masters (Batman Incorporated, Guardians of the Galaxy).

Joseph Michael Linsner, the celebrated creator of Dawn, writes and illustrates the first-ever crossover event for his beloved goddess, teaming her -- and pitting her against -- horror icon Vampirella! When the silver-tongued demon Masodik kidnaps these beautiful, powerful women, he demands that the two engage in a catfight to prove which is best suited as his new paramour. The ladies suggest to combat in a more sophisticated and feminine way: by engaging in a storytelling contest. Together, Dawn and Vampirella take us on a journey to the bloody shores of Drakulon, post-apocalyptic New York, and worlds beyond imagination. Ultimately, they know that they must join forces to overcome him... but what common ground can be found between goddess and vampire? Features an all-new introduction and never-before-seen bonus material by Joseph Michael Linsner, plus an afterword by Kristina Deak-Linsner.

THE BLAZE BROTHERS GN
(W) Matthew Scott Krentz & Various
(A) Marat Mychaels, Dietrich Smith
(CA) Anthony Piper

Award-winning writers Vernon Whitlock III and Matthew Scott Krentz and fan-favorite artist Marat Mychaels present the complete action-packed, hard-hitting, and non-apologetic *Blaze Brothers* story for the first time! Two orphaned half brothers, Jack and Billy Blaze, reared by an exiled Chinese martial arts Master and trained as deadly assassins by a secret US Black Ops force, resign their commission after a botched mission leaves them both near death. The two gun-toting, sword-wielding brothers resurface as high-level debt collectors, working exclusively for a vicious Japanese crime lord, Mr. Yamamoto. Believing that the Blaze Brothers have dishonored him, he places a two million dollar bounty on their heads. The Blaze Brothers must battle every hitman, assassin, and gang member in the city in an attempt to clear their names. (STL006870)

WANDERING STAR HC
(W) Teri S Wood & Various
(A/CA) Teri S Wood
Wandering Star is a beautiful story, written years before its time. This much-praised space drama follows the far-flung adventures of Cassandra, daughter of the President of the United Nations and the first terran accepted into the Galactic Academy. Cassandra discovers to her woe that Earth isn't the most popular of planets and joins the outcasts working on the *Wandering Star*, the Alliance's prototypical spaceship. When the Bono Kiro, the Alliance's longtime enemy, makes a sudden reappearance, Cassandra and her misfit crew just might turn out to be the galaxy's last hope. Sure to delight the legions of fans of the series, this beautiful hardcover edition collects all 21 of the original comics for the first time. (STL005325)

KITARO GN
(W/A/CA) Shigeru Mizuki
Meet Kitaro, Shigero Mizuki's most famous creation. He's just like any other boy, except for a few small differences: he has only one eye, his hair is an antenna that senses paranormal activity, his geta sandals are jet-powered, and he can blend into his surroundings like a chameleon. Oh, and his a *yokai* (a spirit monster)! With all the offbeat humor of an *Addams Family* story, *Kitaro* is a lighthearted romp in which the bad guys always get what's coming to them. (STK524773)

SHOWA: A HISTORY OF JAPAN VOLUME 1: 1926-1939 TP
(W/A/CA) Shigeru Mizuki
Showa: A History of Japan is the Shigeru Mizuki's meticulously researched historical portrait of twentieth-century Japan. These 560-page volumes chart Japan's national history from the decades before World War II through the war, its defeat and occupation, and rebirth alongside the personal stories of the individuals living their lives against this momentous history. With his trusty narrator Rat Man, Mizuki brings history into the realm of the personal, making it palatable, and indeed compelling, for young audiences as well as more mature readers. (STK622625)
SC, 6x9, 560pgs, PC.....$24.95

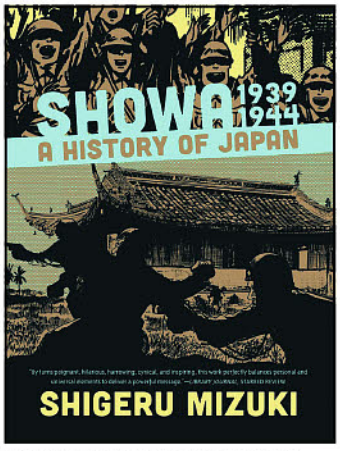

SHOWA: A HISTORY OF JAPAN VOLUME 3: 1944-1953 TP
(W/A/CA) Shigeru Mizuki
The penultimate volume of the *Showa* series continues award-winning author Shigeru Mizuki's autobiographical and historical account of *Showa* period Japan. This volume recounts the events of the final years of the Pacific War, and the consequences of the war's devastation for Shigeru Mizuki and the Japanese populace at large. After the surprise attack at Pearl Harbor, Japan and the United States are officially at war. Two rival navies wage a series of micro-wars across the tiny Pacific islands, and finally, the United States unleashes the deathblow with a new and terrible weapon—the atomic bomb. *Showa 1944-1953* is a searing condemnation of the personal toll of war from one of Japan's most famous cartoonists. A DRIFTING LIFE TP (CURRENT PRINTING)
(W/A/CA) Yoshihiro Tatsumi
Yoshihiro Tatsumi has been called "the grandfather of Japanese alternative comics" and has influenced generations of cartoonists around the world. Now the visionary creator of *The Push Man* and *Good-Bye* has turned his incisive, unflinching gaze upon himself. *A Drifting Life* is Tatsumi's most ambitious, personal, and heart-felt work: an autobiographical *bildungsroman* in comics form. Using his life-long obsession with comics as a framework, Tatsumi weaves a complex story that encompasses family dynamics, Japanese culture and history, first love, the intricacies of the manga industry, and most importantly, what it means to be an artist. SHOWA: A HISTORY OF JAPAN VOLUME 2: 1939-1944 TP
(W/A/CA) Shigeru Mizuki
Showa 1939-1944: A History of Japan continues award-winning author Shigeru Mizuki's autobiographical and historical account of Showa Era Japan. This volume covers the final moments of the lead-up to World War Two and the first few years of the Pacific War; it is a chilling reminder of the harshness of life in Japan during this highly militarized epoch. Mizuki writes affectingly about the impact on the Japanese populace of world-changing moments. On a personal level, these years mark a dramatic transformation in Mizuki's life, too; his idyllic childhood in the countryside comes to a definitive end when he's drafted into the army. (STK637922)

SHOWA: A HISTORY OF JAPAN VOLUME 4: 1953-1989 TP
(W/A/CA) Shigeru Mizuki
Showa 1953-1989: A History of Japan concludes Shigeru Mizuki's dazzling autobiographical and historical account of Showa period Japan, a portrait both intimate and ranging of a defining epoch. The final volume picks up in the wake of Japan's utter defeat in World War II, as a country reduced to rubble struggles to rise again. A former enemy becomes their greatest ally as the USA funnels money, jobs, and opportunity into Japan, hoping to establish the country as a bulwark against Soviet communist expansion. Events like the Tokyo Olympiad and the World's Fair introduce a new, friendly Japan to the world, but this period of peace and plenty conceals a populace still struggling to come to terms with the devastation of WWII. EDGAR RICE BURROUGHS' THE LAND THAT TIME FORGOT #1

Recommended by Trevor Richardson

In 1916, Bowen Tyler, some British pals, and the crew of a German U-Boat washed onto the shores of Caspak, a prehistoric island hidden from the rest of the world. The only record of Tyler's adventures with the indigenous people of the island was a manuscript stuffed into a Thermos and tossed out to sea. Today, after 100 years, Tyler's great granddaughter Abby has launched an expedition to uncover the island and verify the claims of her ancestor.

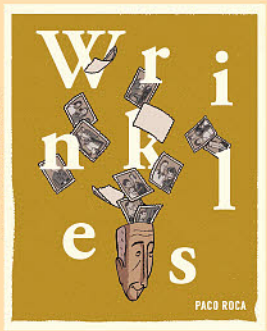

In American Mythology's newest offering, comic veteran Mike Wolfer picks up where Edgar Rice Burroughs left off. In a flashback, we witness the hand of Captain Tyler offering his Thermos and his story to the ocean waves, letting us know everything that follows is the result of that final moment of Bowen's journey. All of the iconic pieces are still in place – dinosaurs, U-Boats, cave people – but this is a new vision for *The Land That Time Forgot* as it seeks to answer modern day questions that were not even considered when the original story was penned. How does an island stay hidden in the age of satellites and Google Earth? Is time on Caspak different than time on the rest of the planet? With so much done for us by technology, can an expedition of 21st-century explorers survive with the same skill and courage as their predecessors or has modern life made them too weak?

With a returning cast of characters and some new additions to the franchise, loyal fans and newcomers alike will enjoy this new vision of long-loved classic.

WRINKLES
by Paco Roca

$19.99/ HC / 96 pgs / FC / 8 x 10

Two elderly residents of an assisted living facility employ clever tricks to mask their ongoing deterioration, culminating in a riotous nighttime breakout. With echoes of *One Flew Over the Cuckoo's Nest* and *Cocoon*, Paco Roca's acclaimed graphic novel squarely addresses the fears of growing old in a work of humor, humanity, and sensitivity. *Wrinkles* was adapted into a successful animated film in 2011 and has won numerous international awards.

LOVF: AN ILLUSTRATED VISION OF A MAN LOSING HIS MIND
by Jesse Reklaw

$24.99 / SC / 176 pgs / FC / 5.5 x 8.5

Jammed with cartoons, mad schemes, psychedelic portraits, and notes from three months on the road, *LOVF* is both a travel journal and window into the post-traumatic dreamworld its author can't escape from. Getting beat up, running from the law, getting dragged out of a creek and into a mental hospital… it's a manic meltdown of cross-hatching, spattered marker, crayons, glitter, tape, nail polish, white-out, fingerpainting, rain, wine, stickers, and word balloons, like the found diary of a homeless crazyman, turned into a comic book.

New York City, 1860. When 12-year-old twins Alexander and Cleopatra's father disappears, they join the Black Hook Gang and are caught by the police pulling off a heist. They agree to reveal the identity of the gang in exchange for tickets to New Orleans. But once there, Alex is tricked into working on a ship that is heading for San Francisco via Cape Horn. Cleo stows away on a steamer to New Granada, where she hopes to catch a train to San Francisco to find her brother. Neither Alex nor Cleo realizes the real danger they are in — they are being followed by pirates who think they hold the key to treasure! How they outwit the pirates and find each other makes for a fast-paced, breathtaking adventure. (STL006251) (C: 0-1-0)

NOBODY LIKES A GOBLIN: A PICTURE BOOK HC
(W/A/CA) Ben Hatke
Goblin, a cheerful little homebody, lives in a cozy, rat-infested dungeon, with his only friend, Skeleton. Every day, Goblin and Skeleton play with the treasure in their dungeon. But one day, a gang of "heroic" adventurers bursts in. These marauders trash the place, steal all the treasure, and make off with Skeleton, leaving Goblin all alone! It's up to Goblin to save the day. But first he's going to have to leave the dungeon and find out how the rest of the world feels about goblins. Ben Hatke struck picture book gold with *Julia's House for Lost Creatures*, and he brings more of the geekish whimsy that gave Julia's so much charm to *Nobody Likes a Goblin*. AMANDA CONNER

Amanda Conner has illustrated the covers for *The Overstreet Comic Book Price Guide* #46, marking both her return to the *Guide*'s cover and the first time two *Overstreet* covers can be joined together to form a bigger continuous image.

From her early days doing *Barbie* for Marvel, *Soul Searchers & Co.* for Claypool Comics, and *Tomoe* for Crusade, she was already developing the style that has made her one of the most popular artists working in comics today.

She illustrated a long run on *Vampirella*, on which she worked with writers Grant Morrison, Mark Millar and Warren Ellis. She provided the art for *Painkiller Jane vs. The Darkness* and *Painkiller Jane* #0, and worked on such titles as *Lois Lane, Codename: Knockout, Birds of Prey, X-Men Unlimited, Gatecrasher, The Pro, Terra, JSA Classified,* and *Power Girl*. She also did the Supergirl strip in *Wednesday Comics*.

She illustrated and co-wrote the high profile *Before Watchmen: Silk Spectre* mini-series with Darwyn Cooke, and presently co-writes *Harley Quinn* with husband and frequent collaborator Jimmy Palmiotti. She also provided the cover for *The Overstreet Comic Book Price Guide* #41.

PAUL MOUNTS

Paul Mounts is Amanda Conner's go-to colorist with good reason. On *Before Watchmen: Silk Spectre*, *Power Girl*, and *Harley Quinn*, among many other titles, Mounts' coloring has done the impossible and added to the power of Conner's work. His efforts have also been seen on *Fantastic Four*, *Friendly Neighborhood Spider-Man*, *The Ultimates*, *A Child Is Born*, and many others. In the 1990s he made a name for himself coloring many Marvel trading card sets. He also colored Conner's cover for *The Overstreet Comic Book Price Guide* #41.

OVERSTREET FUN FACT

In addition to Amanda Conner, Murphy Anderson, Carmine Infantino, Don Newton, George Pérez, John Romita, Sr., John Romita, Jr., Alex Ross, Alex Schomburg, John K. Snyder III, and Mark Sparacio have illustrated two or more covers. Only Anderson, Conner, Ross and Snyder have done two in the same year.

The Gemstone Team – Along with Bob Overstreet and more than 150 advisors, Creative Director Mark Huesman, Assistant Editor Carrie Wood, Vice-President of Publishing J.C. Vaughn, and Associate Editor Amanda Sheriff work on the Guide. *Photo by Richard Ankney.*

INDEH: A STORY OF THE APACHE WARS GN
(W) Ethan Hawke (A/CA) Greg Ruth
The year is 1872. The place, the Apache nations, a region torn apart by decades of war. The people, like Goyahkla, lose his family and everything he loves. As he burns his family's possession's he has a vision. A hawk rises to tell him that he can never be killed by a man. It is this vision that prompts the young Goyahkla into action. He approaches the Apache leader Cochise, his son Naiches, and the entire Apache nation to lead an attack against the Mexican village of Azripe for retribution. It is this wild display of courage that transforms the young brave Goyakhla into the Native American hero Geronimo. But the war wages on, lives continue to be lost, and all of Apache is conquered but one-Cochise's band. When it looks like lasting peace has been reached, it seems like the war is over. Or is it? *Indeh* captures the deeply rich narrative of two nations at war who then try to find peace and forgiveness in a time of great upheaval. Based on incredible research, *Indeh* offers a remarkable glimpse into the raw themes of cultural differences, the horrors of war, the search for peace, and what is ultimately retribution. GRANT MORRISON'S 18 DAYS VOLUME 2: HEROES AND LEGENDS TP
(W) Grant Morrison & Various (A) Jeevan Kang & Various (CA) Mukesh Singh
From legendary creator Grant Morrison comes the second volume in his epic creation, as the battle between two armies of super warriors plays out on the battlefield as we flashback to see the events that brought people to the war. *18 Days* is the story of three generations of super-warriors, meeting for the final battle of their age, a climactic war that concludes the age of the gods and begins the age of man. Collecting the first story arc from the series. "This is not a *Lord of the Rings* or a *Star Wars* where the good guys win because they are right. The good guys in *18 Days* are forced to cheat and lie and break rules to win. Although it has fantastic, mythic trappings, this is a very modern story of realpolitik and the failure of ideals in the face of harsh truth." — Grant Morrison. (STL006049)

COMPLEX AGE VOLUME 1 GN
(W/A/CA) Yui Sakuma
One of the few realistic manga told from the perspective of a young, geeky Japanese woman, *Complex Age*'s dramatic storyline looks beneath the surface of cosplaying to show what it really takes to live the life of someone devoted to fandom. Twenty-six-year-old Nagisa looks like a normal office worker, but unbeknownst to her coworkers, she leads an extraordinary life as a cosplayer. In her secret life, Nagisa puts countless time and effort into conceptualizing and designing costumes to attend shows and transform into her favorite anime characters. But despite her talent and notoriety in the cosplayer world, she must keep this all a secret from everyone except close family and friends. To enjoy her passion and still function as a normal member of society, Nagisa has to struggle with the pressures of two very distinct lifestyles, while doing her best to keep her two worlds from colliding. Aoi's best friend Moe is in love with their high school's prince, Shusei Kugayama. But when Moe confesses her feelings, Shusei turns her down hard, and a furious Aoi takes him to task. So it's quite a shock when Aoi finds out that the boy moving into the apartment next to hers is Shusei! Things go from awkward to intolerable when Aoi accidentally starts a kitchen fire in Shusei's apartment, and is forced to let him move in while the damage gets cleaned up. Readers will love watching the funny and touching situations this unlikely couple experience as they slowly begin to warm to each other. LIVINGSTONE VOLUME 3 GN
(W) Tomohiro Maekawa
(A/CA) Jinsei Kataoka
Ninety percent of our lives are determined by our fate, and our fates are determined by our "souls." But every now and then, something doesn't go according to the plan, and not only are the results of this often grim, the souls of those who have met an untimely fate also pollute their environs, drawing more souls into a viscious circle of ill fate. Sakurai and Amano are an odd-couple team who have been hired to deal with the problems that arise from these tainted souls and have been tasked with finiding those who are heading to an early grave to either prevent them from dying or collect their livingstones — the physical remnants of their souls — before they can cause further damage. MAGA-TSUKI VOLUME 3 GN
(W/A/CA) Hoshino Taguchi
Yasuke, 15 years old, is about to build up the courage to confess his love to his childhood friend Akari, who's fallen for him, too. There's just one problem: Yasuke's family lives in a Japanese shrine, and when he breaks the shrine's sacred mirror, it triggers a curse, releasing the cute and well-endowed goddess of misfortune, Orihime, into the real world! Now Yasuke can't ever be out of Orihime's sight; if he gets too far away, he dies, and can only be brought back to life with a quick kiss from Orihime! ATTACK ON TITAN GN'S

(W/A/CA) Isayama Hajime

Humankind is down to just a few thousand people who live in a city surrounded by three concentric walls. The walls protect them from their enemies, the ravenous giants known as the Titans. The Titans appear to have only one purpose: to consume humanity. For one hundred years, what's left of mankind has lived in the city on earth, protected by walls that tower over even the Titans. Humanity has become complacent, but Eren Jaeger has had enough. Jarger and his friends are determined to survive. But everything about their situation is a mystery that only becomes more complicated the more they learn. ATTACK ON TITAN COLOSSAL EDITION TP'S

(W/A/CA) Isayama Hajime

Attack on Titan: Colossal Edition is an oversized collection of the *Attack on Titan* manga series! Humanity has been devastated by the bizarre, giant humanoids known as the Titans. Little is known about where they came from or why they are bent on consuming humanity. For the past century, what's left of mankind has hidden in a giant, three-walled city. People believe their 100-meter-high walls will protect them from the Titans, which are 10 to 20 meters tall. But the sudden appearance of an immense Titan is about to change everything. Weighing in at a massive 960 pages and collecting five volumes each, the *Colossal Edition* contains the same material as the original volumes, but the story is printed bigger and on higher-quality paper. LOVE VOLUME 3: THE LION HC
(W) Frederic Brremaud
(A/CA) Federico Bertolucci
The third volume in the lavishly illustrated series of wildlife graphic novels, each following a single central animal through an adventurous day in their natural environment. This exciting tale, written by Frederic Brremaud, is told without narration or dialogue, conveyed entirely through the beautiful illustrations of Federico Bertolucci. Both heartwarming and heartbreaking, this volume focuses on a solitary Lion as it wanders the plains of Africa, handling the daily hunt, and vicious rivalry, without a Pride of its own. The circle of Life takes center stage in a world where predator and prey trade places on a regular basis, and Family is something worth fighting — and dying — for. (STL003191)

BRUCE LEE:
THE DRAGON RISES #3
(W) Adam Beechen, Shannon Lee
(A) Brandon McKinney (CA) Steve Rude
Bruce Lee never died. Hasn't aged. And has no idea who he is or why so many modern-day "thugs" want to do him harm. Equally perplexing, Bruce finds himself wholly determined to stop a fellow one-time captive from making a splashy reentry into society. But, Bruce's own motives remain a mystery to him, and his plan is precarious, at best. Of course, fists will fly. Villains will plot. And Bruce's best friend, Joe, will... well... be Joe. Can Bruce stop the first domino in Katya's chain from falling? And what does any of this have to do with the shocking discovery that awaits the Teens? (STL006063)

BREAKING THE 10 VOLUME 1 GN
(W/A/CA) Sean Michael Wilson, Michiru Morikawa
When David loses his wife and child in a tragic car accident he decides, in anger at the cruelty of the event, to turn against God. He sets out to systematically break each of the Ten Commandments in order to both spite God and to get his attention! But will he go all the way, and break the commandment "Thou shalt not kill"? Two mysterious figures, Mr. White and Mr. Black, try to win David over to their side: the religious or the humanistic. Deeply sad in parts and comical in others, this modern story explores age old questions: Is there a God? And if there is, does that God care about us? (STL006203) (C: 0-0-1)

SONIC: MEGA DRIVE-ONE SHOT

Recommended by Matt Demory

Twenty-five years ago the blue blur, Sonic the Hedgehog, blast processed his way onto Sega's 16-bit Sega Genesis (Mega Drive for Sega fans outside the USA) and made video game history. That was... twenty-five years ago. While I may be feeling a little older by this startling revelation of my lost youth, it doesn't look like Sonic wants to slow down.

Our favorite hedgehog was the personification of Sega's counter culture revolution against Nintendo's domination of the video game industry in the 1990s. Where Nintendo titles were family friendly, Sega titles were full of edgy arcade action like *Altered Beast*. While Sega didn't topple the Kyoto-based behemoth, they did give them a run for their money with the Genesis and Sonic became a game mascot to rival Nintendo's Mario. Since his inception Sonic has appeared in numerous video games, animated cartoons, and, of course, he has his own comics.

Archie Comics is celebrating Sonic's 25th-anniversary with the *Sonic: Mega Drive One-Shot*. Written by veteran *Sonic* scribe Ian Flynn (*Sonic*, *Mega Man*) in combination with art that looks like it would have been right at home in a vintage game manual by Tyson Hesse (*The Amazing World of Gumball*) this title looks like it is shaping up to be a love letter to Sega fans from the 90's.

This June, take a moment to dust off those game cartridges, race through green hill zone one more time, and get ready for a Sonic blast from the past with the *Sonic: Mega Drive One-Shot* from Archie Comics!

THE EPIC CONCLUSION OF *THE SIXTH GUN* DRAWS NEAR!

6 years and 50 issues later, the fantasy epic by Cullen Bunn, Brian Hurtt, and Bill Crabtree is coming to a close. With the release of the final issue coming soon, we wanted to take a moment to discuss the end of the series with creators Cullen Bunn and Brian Hurtt.

Cullen, you finished writing the last script, more or less, in October. what was it like writing the words "The End" on that final issue?

CULLEN: It was bittersweet to say the least. Here were all these characters that I've come to love dearly over the years (despite how cruel I am to them) and saying goodbye stings quite a bit. At the same time, though, there are few creator-owned series that last this many issues these days, and there's a sense of excitement in reaching the 50 issue mark and wrapping the story on our terms. This is the ending we've been planning all along, and I don't know that I could be more proud of the story we've told.

Brian, what was it like reading that last script and later how did you feel when you finished drawing the last page of the issue?

BRIAN: It was an odd feeling reading the script because it was probably the script that I knew the most about going in. Cullen and I had discussed this ending as far back as before we did issue one. It was something that came more and more in focus as we drew closer. So there ended up being a level of surreality to reading that final issue. Like, I wasn't really grasping that this was it.

Drawing it was similar. On top of that, I was tackling 60-plus pages in one big lump. It made it feel like something I couldn't quite get my arms around. Normally, when I work on an issue I start with page one and work my way to the end. For a few different reasons I ended up jumping around with this issue. The end result was the last page I drew wasn't even the last page of the book. To be honest, I was so exhausted—probably in a fugue state—that I don't even remember what I drew last. I really wasn't struck that it was all over until a day or two after I finished and I found I had no more pages to draw.

In the end, I don't really feel bittersweet about it at all. Just a great pride in accomplishment—both Cullen and I setting out to take on this epic story and then being able to see it through to the end. I'm really proud of the story we told.

How different is *The Sixth Gun* at its end compared to how you guys envisioned it from the start?

CULLEN: You know, I feel like the conclusion is pretty close to what we originally envisioned. This is the story we set out to tell from the very first arc. There are certainly new characters and locales that have surfaced over the course of the series. There are ideas that surfaced in the few limited series we did that ended up getting incorporated into the finale. But the framework of how the story would wrap up has always been pretty much the same.

BRIAN: Every story takes on a life of its own to some degree, but I agree with Cullen that the heart of it has remained pretty true to what we had envisioned.

The things I couldn't have predicted from the outset was the expansion of the supporting cast and, honestly, that we wouldn't be able to squeeze in all the cool stuff we wanted to do over the 50 issues and the mini-series'! So many good ideas were left out because, in the end, they didn't serve the story we were telling.

How has your collaboration evolved across these 50 issues? Cullen, how has your writing changed over the course of the series? Brian, how do you feel about your art now 50 issues later?

CULLEN: It would be easy, I guess, to say that Brian and I could shortcut the creation process after working together for so long. But we still work in a fairly traditional way—pretty much the way we worked together since day one. I feel like we have the same sensibilities in terms of what makes for a great story, so the partnership is pretty easy-going.

Personally, I think I've improved a great deal as a writer over the years. I've tried new things, pushed myself in new directions story-wise and tried some different things in terms of format (such as issue 21's silent story). I also feel like working with a talented collaborator like Brian has helped me improve as a writer overall.

BRIAN: As far as collaboration goes I think Cullen and I have a pretty smooth working relationship. Including our series *The Damned*, we've done about 60 issues worth of material. It's always been a fairly drama-free partnership. We are on the same page about so much stuff as far as storytelling goes but different enough that we still challenge one another.

As for my art, I think I'm a pretty typical artist. I like it as I'm doing it but give a day or two and I'll hate what I've done and be unable to look at it (laughs). I definitely feel like my art has grown a lot over the course of the series from both a storytelling and a draftsmanship point of view. But it may be the sort of thing that only I can see.

Finally, now that the series is roaring to its epic conclusion, are there any parts of the universe you wish you had more time to explore?

CULLEN: Definitely! One of the things I've enjoyed the most about *The Sixth Gun* is the world-building. There are places and characters and secret organizations that we've only barely touched upon. It's actually something I think readers of the book will get a kick out of. They can read and re-read the series and find new ideas and hidden corners of the world!

BRIAN: I wouldn't know where to start! From the beginning, we have always been aware that there is a story down every dirt road in this world but we had the road we had to stay on to tell this particular story.

I like to think that, in time, there will be ways for us to return to this world and tell more stories set here, in some form or another. ✣

MERRY MEN #1

ROBERT RODI (W) **JACKIE LEWIS** (A/CA)

MARISSA LOUISE (C)

32 Pages, **$3.99**, RELEASE DATE: **06/01/16**

IN STORES FOR PRIDE MONTH!

13th century England. Robert Godwinson, former lover of King Richard, lives with his band of Merry Men in Sherwood Forest, away from the watchful eye of Prince John, who has outlawed homosexuality. Though isolated, the men live in peace–that is, until a stranger approaches their camp asking for aid to a nearby town under siege by the Sheriff of Nottingham.

Robert–nicknamed Robin–is reluctant to help, but equally eager to get rid of this perplexing stranger... and to put his formidable bow-and-arrow to use. It's Robin Hood like you've never seen him before, based on scholarly speculation about what's really behind the outlaw's legend.

HERE'S WHAT THE CREATORS HAVE TO SAY ABOUT MERRY MEN:

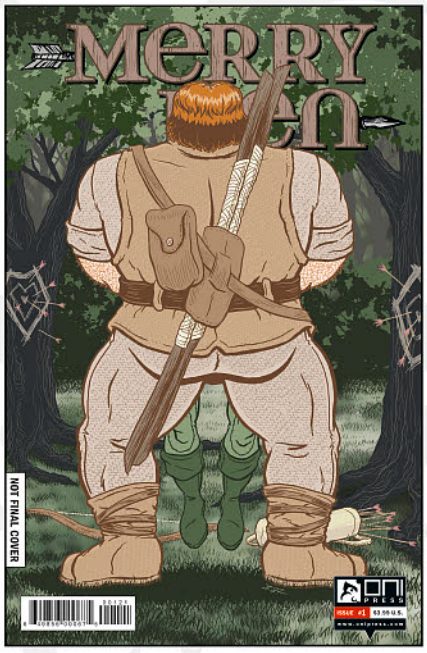

"In *Merry Men*, I've stripped away a lot of the layers that have been applied to Robin Hood over the centuries; this is a version inspired by the Occupy and marriage equality movements–one that restores a sense of sexual outlawry that, according to some recent scholarship, may have been there at the start. I wanted that Robin Hood–the one who would stand on the front lines with us. And he's bringing his friends, as well. The more the merrier... and these men are the merriest."
ROBERT RODI, WRITER

"As a queer creator with a bunch of queer friends, it's awesome to see such a well-known fictional character get reimagined in a way that reflects my life and experiences. (Plus, I get to draw a bunch of hotties!)"
JACKIE LEWIS, ARTIST

"I believe in the importance of continually giving people a new frame of reference to reexamine history. *Merry Men*'s reinterpretation of Robin Hood is an approachable lens to reaffirm that people of all races, gender identities and sexual orientations have existed throughout the ages."
MARISSA LOUISE, COLORIST

"It's great to see a book casually talking about real trans identities in a fun, fictional context."
JON CAIRNS, LETTERER

...THE SHERIFF'S MEN MAY TAKE ALL OF WHAT YOU HAVE THAT PLEASES THEM AND RUIN THE REST, AND DO SO WITH IMPUNITY.
WE'VE GATHERED A SMALL COMPANY WHO WILL NOT WAIT TO FALL PREY TO THEIR HORRORS OF JUSTICE, BUT WILL SEEK TO SHADE THEM BY TAKING REFUGE IN THE FOREST. YOU ARE WELCOME TO A PLACE AMONG US.
I THANK YOU, ROBIN... BUT NO.
I AM TOO OLD FOR ROUGH LIVING. I WILL GO TO ELTON, WHERE I HAVE WAREHOUSES AND OTHER INTERESTS, AND WAIT FOR ALL THIS TERRIBLE CONFUSION TO ABATE.
UNTIL THEN, I WISH YOU WELL, MY FRIENDS.
AND I YOU...

...AND SO IT HAS CONTINUED, IN TOWNS ALL ACROSS NOTTINGHAMSHIRE, AND EVEN IN REST OF THE MIDLANDS.
THE SHERIFF ENTERS THE GATES, PURGES THE CITIZENRY OF ALL ANY WHO LIVE AS WE, SEIZES THEIR PROPERTY, AND SELLS IT TO HIS NORMAN CRONIES FOR A PITTANCE. THEN BEGIN EACH UPON OUR RUIN, AND LEAVE OUR COMMUNITIES BEREFT.
BUT... WHY?
BECAUSE OF ME, ALAS.

ROBIN... WHAT HAVE YOU TO DO WITH IT?
TOO MUCH FOR THE TELLING, BUT YOU MAY TRUST ME ON THE MATTER.
AND SO I DO, BUT, GOOD SIR, IF ALL THIS TERROR AND THIEVERY IS ON YOUR ACCOUNT...
...THEN IT FALLS TO YOU TO AMEND IT.
MARSHALL THE FORCES YOU HAVE GATHERED HERE, AND LEAD THEM ON TO LIBERATE ELTON.
IT CANNOT BE DONE...

...WE ARE BUT SEVEN IN NUMBER. HOW ARE WE TO RE-TAKE A TOWN FROM THE SHERIFF'S MANY MINIONS?
WITH RESPECT, ROBIN, THEY ARE NOT MANY. THE SHERIFF IS UNACCUSTOMED TO RESISTANCE, AND SO LEAVES BEHIND BUT FEW TO KEEP THE NEW ORDER HE HAS IMPOSED...
...AND THOSE FEW INEVITABLY SUCCUMB TO DRUNKENNESS AND SLOTH...
WHEREAS UNDER YOUR TRAINING THESE SEVERAL MONTHS, WE ASSEMBLED HERE HAVE ONLY SHARPENED OUR SKILLS...

DENNIS THE MENACE VOLUME 2: THE COMPLETE COMIC BOOKS HC
(W) Fred Toole
(A/CA) Owen Fitzgerald, Al Wiseman
One of the greatest comicbook series ever created for children was *Dennis the Menace*. But possibly because of the success of the comic strip, television series, and feature films, the *Dennis the Menace* comicbooks were never taken seriously by comic art critics. But all that changed when a *Dennis the Menace* story was included in *The Toon Treasury of Classic Children's Comics*, edited by Art Spiegelman and Francoise Mouly. This volume features the work of artist Owen Fitzgerald whose work with writer Fred Toole is considered a high point of the series. (STL006190) (C: 0-0-1)

STAR of the MONTH

DENNIS THE MENACE VOLUME 1: THE CLASSIC COMIC BOOKS HC

(W) Fred Toole
(A/CA) Owen Fitzgerald, Al Wiseman

Dennis the Menace is the brainchild of Hank Ketcham. Appearing in more than 1,000 newspapers, the humor is based on the interaction of five-and-half-year-old Dennis Mitchell with his parents, neighbors and various friends. Dennis is a combination of good intentions, misdirected helpfulness and exuberant energy, which never fails to provide an entertaining mixture of merriment. Originally published in the 50s, 60s, and 70s, these comics are just as funny today as when they first appeared. (STK681584) (C: 0-0-1)

HARVEY BEAKS VOLUME 2: IT'S CRAZY TIME

(W) Chris Houghton, Kevin Kramer
(A/CA) Andreas Schuster

Life can be confusing enough for just about anyone and Harvey Beaks is no exception. Harvey knows that doing everything "right," isn't always the most fun. Doing things like Fee and Foo may not be "right," but it sure seems to be a lot more fun! While Fee and Foo may go too far at times, pushing Harvey beyond his limits, Harvey knows that he doesn't want it any other way. As scary as it may get hanging out with the two naughty imps, life in the forest would be a whole lot duller without them! See why the *LA Times* called *Harvey Beaks* a series "that's as carefree and sunny as its characters" and " a gateway to raising a wonderfully weird kid." THE SISTERS VOLUME 1: LIKE A FAMILY

(W) Cazenove
(A/CA) William Maury

Meet two wonderful young girls who happen to be sisters, Maureen and her older sister Wendy. Both are full of personality and a strong sense of independence. So while they may love each other with all their hearts, it's not always easy for the two of them to be together. After all, when we're still very young, age differences are much more meaningful. While Maureen may want to hang out with her older sister, nothing could be more embarrassing for Wendy. See how despite all odds, they still manage to get through each day without killing each other... well, at least so far!

In addition to the main story, this volume features great backup features including the "Guide to Sisters", Maureen's journal entries and much more! Available in Softcover and Hardcover editions. (STL006186) (C: 0-0-1)

PEGASUS BOOKS

CAMUS'S THE STRANGER GN

(W) Albert Camus, Sandra Smith
(A/CA) Jacques Ferrandez

A visually stunning adaptation of Albert Camus's masterpiece that offers an exciting new graphic interpretation while retaining the book's unique sensibility. The day his mother dies, Meursault notices that it is very hot on the bus that is taking him from Algiers to the retirement home where his mother lived; so hot that he falls asleep. Later, while waiting for the wake to begin, the harsh electric lights in the room make him extremely uncomfortable, so he gratefully accepts the coffee the caretaker offers him and smokes a cigarette. The same burning sun that so oppresses him during the funeral walk will once again blind the calm, reserved Meursault as he walks along a deserted beach a few days later — leading him to commit an irreparable act. PRE-CODE CLASSIC: THIS MAGAZINE IS HAUNTED VOLUME 2 SLIPCASE EDITION

(A) Shelly Moldoff & Various

Here's another forgotten or bypassed old comicbook in the great tradition of the likes of EC Comics and the PS multiple-volume library of Harvey's horror line-up, featuring a dizzying bevy of gnarled and twisted tales of post-death revenge and retribution. The first seven issues (and more animated corpses than you could shake a stick at) are presented to you for just a tiny fraction of what you would expect to pay for a mint-condition version of just one copy the actual comic, and this intoxicating first volume is in hardcover. Collects issues #8-14 (December 1952 to December 1953). (STL005936)

PRE-CODE CLASSIC: JOURNEY INTO FEAR VOLUME 3 HC

Hey, it's all here, culture-lovers: walking dead folks (loads of 'em)—some of them even still sporting their heads-witches, ghosts, werewolves and enough vampires to go into the second-hand dentures business. Every now and again you come across a bevy of four color frights that seem to have been created just for you. Well, they were created just for us folks here at PS Towers — and, because we loves ya so much, we're sharing 'em wit youse. Sheesh, ya never had it so good, ya big lunks. Collects issues #15-21 (September 1953 to September 1954). (STL005938)

HC, 7x10, 252pgs, FC $59.99

PRE-CODE CLASSIC: STRANGE SUSPENSE STORIES VOLUME 1 HC

(A) Dick Ayers & Various

This one says it all: suspense stories that are strange, and that wasn't just idle talk, like, say, whacked out westerns or mad mysteries. No sir, the yarns to be had in Fawcett's and later Charlton's groundbreaking title set a new standard. And, connsidering the line-up, it's no big surprise: the incomparable Steve Ditko, Vince Alascia, Jim Aparo, Pat Boyette, George Evans, Joe Gill, Frank McLaughlin, Bill Molno, Rocke Mastroserio, Sheldon Moldoff, Charles Nicholas, Denny O'Neil, Joe Shuster, and Steve Skeates. Let's face it, eerie fantasy and weird SF had never been so classy. Collects issues #16-22 (Jan/Feb 1954 to November 1954). (STL005939)

(A/CA) Koushi Rikudou
The planet is in a constant state of tumult. As rival countries vie for power and resources while racing to create the latest technological breakthroughs, robots and cyborgs have become commonplace. What hope is left for a jaded humanity in an age of advances in cybernetics and artificial intelligence? Enter two cyborg girls outfitted with insurmountable combat capabilities. This is their story. From the minds of *Ghost in the Shell* creator Masamune Shirow and *Excel Saga* creator Ridukou Koushi, comes an action-packed cyberpunk comedy manga that is unlike anything you've ever seen. SUBLIME

Don't Be Cruel 2-in-1 Edition, Volume 1

Story and Art by Yonezou **NEKOTA**

Playboy Maya catches studious Nemugasa cheating on a test and, to ensure his silence, blackmails him into doing whatever Maya wants. Twice a week Nemugasa must go to Maya's room for some steamy action, but as dense and oblivious as Nemugasa is, he fails to notice Maya's true feelings for him. With college entrance exams around the corner, Nemugasa must focus on his studies, but Maya won't stop distracting him, causing him to finally snap! Can a relationship built on blackmail ever become something more?

Story and Art by Suzuki **TANAKA**

Awkward Yoshida's life got flipped upside down when the hottest guy in school started going out with him. Things should be easier for Yoshida now that his whole class knows about his relationship, but it's never that simple with Saito as a boyfriend. And with Valentine's Day just around the corner, Yoshida has quite the challenge ahead of him if he hopes to satisfy Saito's demand for a special treat.

JADE STREET PROTECTION SERVICES #1

Recommended by Jonathan McKinney

Welcome to Matsdotter Academy, your typical school with unfair detention and magically gifted students.

Meet Divya, Emma, Noemi, Saba, and Kai, students of the Academy, who find themselves wasting their precious time in the confines of a school classroom.

Welcome to Jade Street, a quant community riddled with secrets.

Katy Rex and Fabian Lelay bring the heat to the street in Black Mask Comics' new series *Jade Street Protection Services*. The detail put into each character's personality and the world behind Jade Street has immense depth. Lelay adds in immense amount of detail and world building into each page with dynamic designs for the setting and characters.

Fans of *Harry Potter* or *Sailor Moon* will want to jump in on this story. In addition to being part of the 8% of the population with magical powers, each girl in the Protection Service is gifted with their own unique ability and skillset. If you're looking for an engaging fantasy book, *Jade Street Protection Services #1* is the place to start.

DEUS EX VOLUME 1: CHILDREN'S CRUSADE TP
(W) Alex Irvine (A) John Aggs
With society still reeling from the Aug Incident — the Illuminati orchestrated event which caused augmented individuals to mindlessly attack their "natural" counterparts — anti-aug sentiment is at an all-time global high. Task Force 29, an Interpol-funded coalition, created to quash the rising tide of terrorist activity, stands as the world's main defence against total anarchy. In the city of Prague, where tension is especially high, the team's latest recruit, Adam Jensen, readies for his first mission with the unit. But being augmented himself, how will the former SWAT agent handle himself when faced with the grim reality of the mechanical apartheid? Collects *Deus Ex: Children's Crusade* #1-5. (STL005951)

THE ASSOCIATES OF SHERLOCK HOLMES SC
(W) George Mann
A brand new Sherlock Holmes anthology to sit alongside George Mann's successful *Encounters of Sherlock Holmes* anthologies, and Titan's *Further Adventures* and *New Adventures* series. This brand-new collection features a variety of exciting voices in modern horror and steampunk, edited by respected anthologist George Mann. Stories are told from the point of view of famous associates of the great detective, including Lestrade, Mrs Hudson, Sherlock himself, Irene Adler, Langdale Pike, and of course, Professor Moriarty. SC, 5x8, 304pgs, B&W.....$14.95

SHERLOCK HOLMES: THE GODS OF WAR MMPB
(W) James Lovegrove
In 1913, Dr. Watson visits Sherlock Holmes at his retirement cottage when tragedy strikes: the body of a young man, Patrick Mallinson, is found under the cliffs of Beachy Head. The dead man's father engages Holmes to prove that his son committed suicide, the result of a failed love affair with an older woman. Yet the woman in question insists that there is more to Patrick's death. She has seen mysterious symbols drawn on his body, and fears that he was under the influence of a malevolent cult. The threat of war hangs over England, and there is no telling what sinister forces are at work. (STL006672)
SC, 5x8, 304pgs, B&W....SRP: $14.95

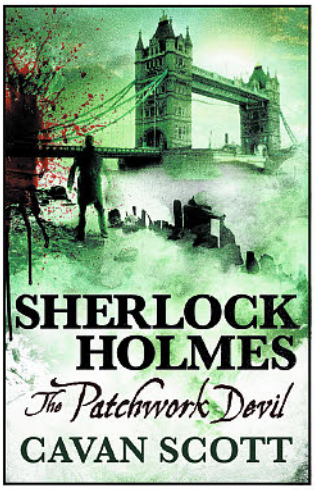

SHERLOCK HOLMES: THE RIPPER LEGACY MMPB
(W) David Stuart Davies
Titan's *Further Adventures of Sherlock Holmes* series continues with the latest entry by Britain's leading Sherlockian writer, David Stuart Davies. Sherlock Holmes and Doctor Watson investigate the case of a kidnapped child. With no ransom note, and a sinister connection to the highest echelons of Victorian society, the companions' lives are in danger. What is the child's true heritage? And what is the connection with the vicious Whitechapel murders of the autumn of 1888? (STL006247) (C: 0-0-1)
SC, 5x8, 224pgs, B&W.....$9.95

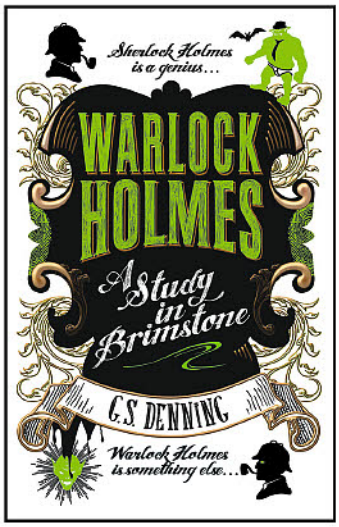

SHERLOCK HOLMES: THE WHITECHAPEL HORRORS MMPB
(W) Edward B. Hanna
Terror reigns on the streets of Whitechapel where horrific murders are being committed. Sherlock Holmes believes he knows the identity of the killer — Jack the Ripper. But as he delves deeper, Holmes realizes that revealing the murderer puts much more at stake than merely putting a psychopath behind bars. In this case, Holmes is faced with the greatest dilemma of his career. (STL006678)
SC, 5x8, 480pgs, B&W....SRP: $12.95

SHERLOCK HOLMES: THE BREATH OF GOD SC
(W) Guy Adams
A body is found crushed to death in the London snow. There are no footprints anywhere near it. It is almost as if the man was killed by the air itself. Sherlock Holmes and Dr. Watson travel to Scotland to meet with the one person they have been told can help: Aleister Crowley. The unbelievable and unholy are on their trail as they gather together the most accomplished occult minds in the country: Dr John Silence, the so-called "Psychic Doctor"; supernatural investigator Thomas Carnacki; runic expert and demonologist, Julian Karswell. But will they be enough? (STL006679)
SC, 5x8, 256pgs, B&W....SRP: $12.95

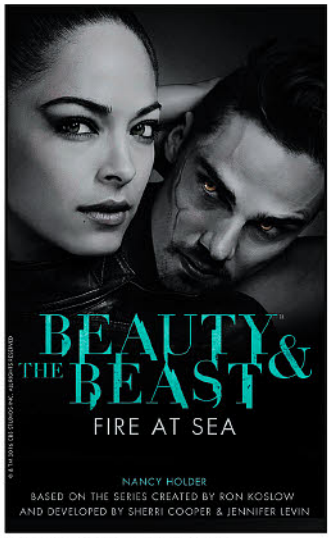

SHERLOCK HOLMES: THE PATCHWORK DEVIL MMPB
(W) Cavan Scott
London, 1919. While the world awaits the signing of the Treaty of Versailles, Holmes and Watson are called to a singular mystery. A severed hand has been found on the banks of the Thames, a hand belonging to a soldier who supposedly died in the trenches two years previously. But the hand is fresh, and show signs that it was recently amputated. So how has it ended up back in London two years after its owner was killed? The mystery puts Homes and Watson on the trail of a descent of Victor Frankenstein, via a terrifying genetic disease, government-sanctioned grave-robbing and an encounter with a creature. (STL002586)

WARLOCK HOLMES: A STUDY IN BRIMSTONE MMPB
(W) G.S. Denning
Reimagining six stories, this riotous mash-up is a glorious new take on the ever-popular Sherlock Holmes myth, featuring the vampire Inspector Vladislav Lestrade, the ogre Inspector Torg Grogsson, and Dr. Watson, the true detective at 221B. And Sherlock. A warlock. Sherlock Holmes is an unparalleled genius. Warlock Holmes is an idiot. A font of arcane power, certainly. But he's brilliantly dim. Frankly, he couldn't deduce his way out of a paper bag. The only thing he has really got going for him are the might of a thousand demons and his stalwart companion. Thankfully, Dr. Watson is always there to aid him through the treacherous shoals of Victorian propriety — and save him from a gruesome death every now and again. (STL005856)
SC, 5x8, 384pgs, B&W.....$12.95

ALIEN: INVASION MMPB
(W) Tim Lebbon
The second novel in the *Alien vs Predator* "Rage War" series. Across a sector of the Outer Rim, Colonial Marines units are being wiped out — and not by the Predators. This is an attack by organized armies of Aliens. Dropped onto planets and habitats, the Xenomorphs spread like a plague. The Colonial Marines, including Akoko Halley and the 39th Spaceborne, retaliate and seek a way to destroy the invaders sent by the Rage. At the same time the android Liliya, who fled the Rage, travels with a Predator who is becoming more insane by the day. Their pursuers are relentless, determined not to let Liliya fall into human hands. As the fight moves deeper into the Human Sphere, it becomes clear that the assault on the Sol System is imminent, and the ultimate target is Earth. (STL006337)
SC, 4x7, 320pgs, B&W.....$7.99

BEAUTY AND THE BEAST: FIRE AT SEA MMPB
(W) Nancy Holder
Detective Catherine Chandler is on a mission to unveil the truth behind her past and discover the secrets surrounding her family. Yet, things get increasingly more complicated for Cat when she becomes romantically involved with the handsome doctor Vincent Keller, who harbours a dark secret of his own: he turns into a terrifying beast when angered. Together, they struggle to maintain their unorthodox relationship whilst being pursued by the mysterious organization known as Muirfield. (STL006338)

THE COMPLETE ALIENS NOVEL OMNIBUS VOLUME 2 MMPB
(W) David Bischoff, Robert Sheckley
Two classic *Alien* novels by acclaimed science fiction authors. *Genocide*: Their queen is dead and the hive mind has been left to flounder on its own. On a world bereft of its only guiding force a schism is taking place: two strains of alien, formerly united by one all-powerful mother, now divide their forces for a world-shattering, acid-drenched war. *Alien Harvest*: A hijacked spaceship with a crew of hardcase misfits search for the ultimate pot of gold at the end of a bloody intergalactic rainbow-royal jelly from an alien hive. Unfortunately, this treasure lies on the universe's most godforsaken planet. And once they get their hands on it, they'll have to fight their way past the aliens to get off the planet alive. (STL006293)

SUPERNATURAL: MYTHMAKER MMPB
(W) Tim Waggoner
Renee Mendez is a talented artist living in a small Illinois town. She loves drawing the strange beings that feature in her dreams, without realizing that when she depicts them on paper, they come to life in the real world. These gods begin to seek worshippers and battle for supremacy, killing humans and each other until only the two strongest remain. Sam and Dean come to town to investigate the murders and "miracles" these new gods perform, slaying some of them in the process. The last two gods standing prepare for their final conflict, which only one will survive. The brothers must find a way to stop the gods' war before the entire town is destroyed. (STL006310)

A MESSAGE FROM TOKYOPOP®

As TOKYOPOP relaunches its publishing business in North America, we sat down with Founder & Publisher Stu Levy to get his vision for the future...

PREVIEWS: What made you decide to return to publishing?

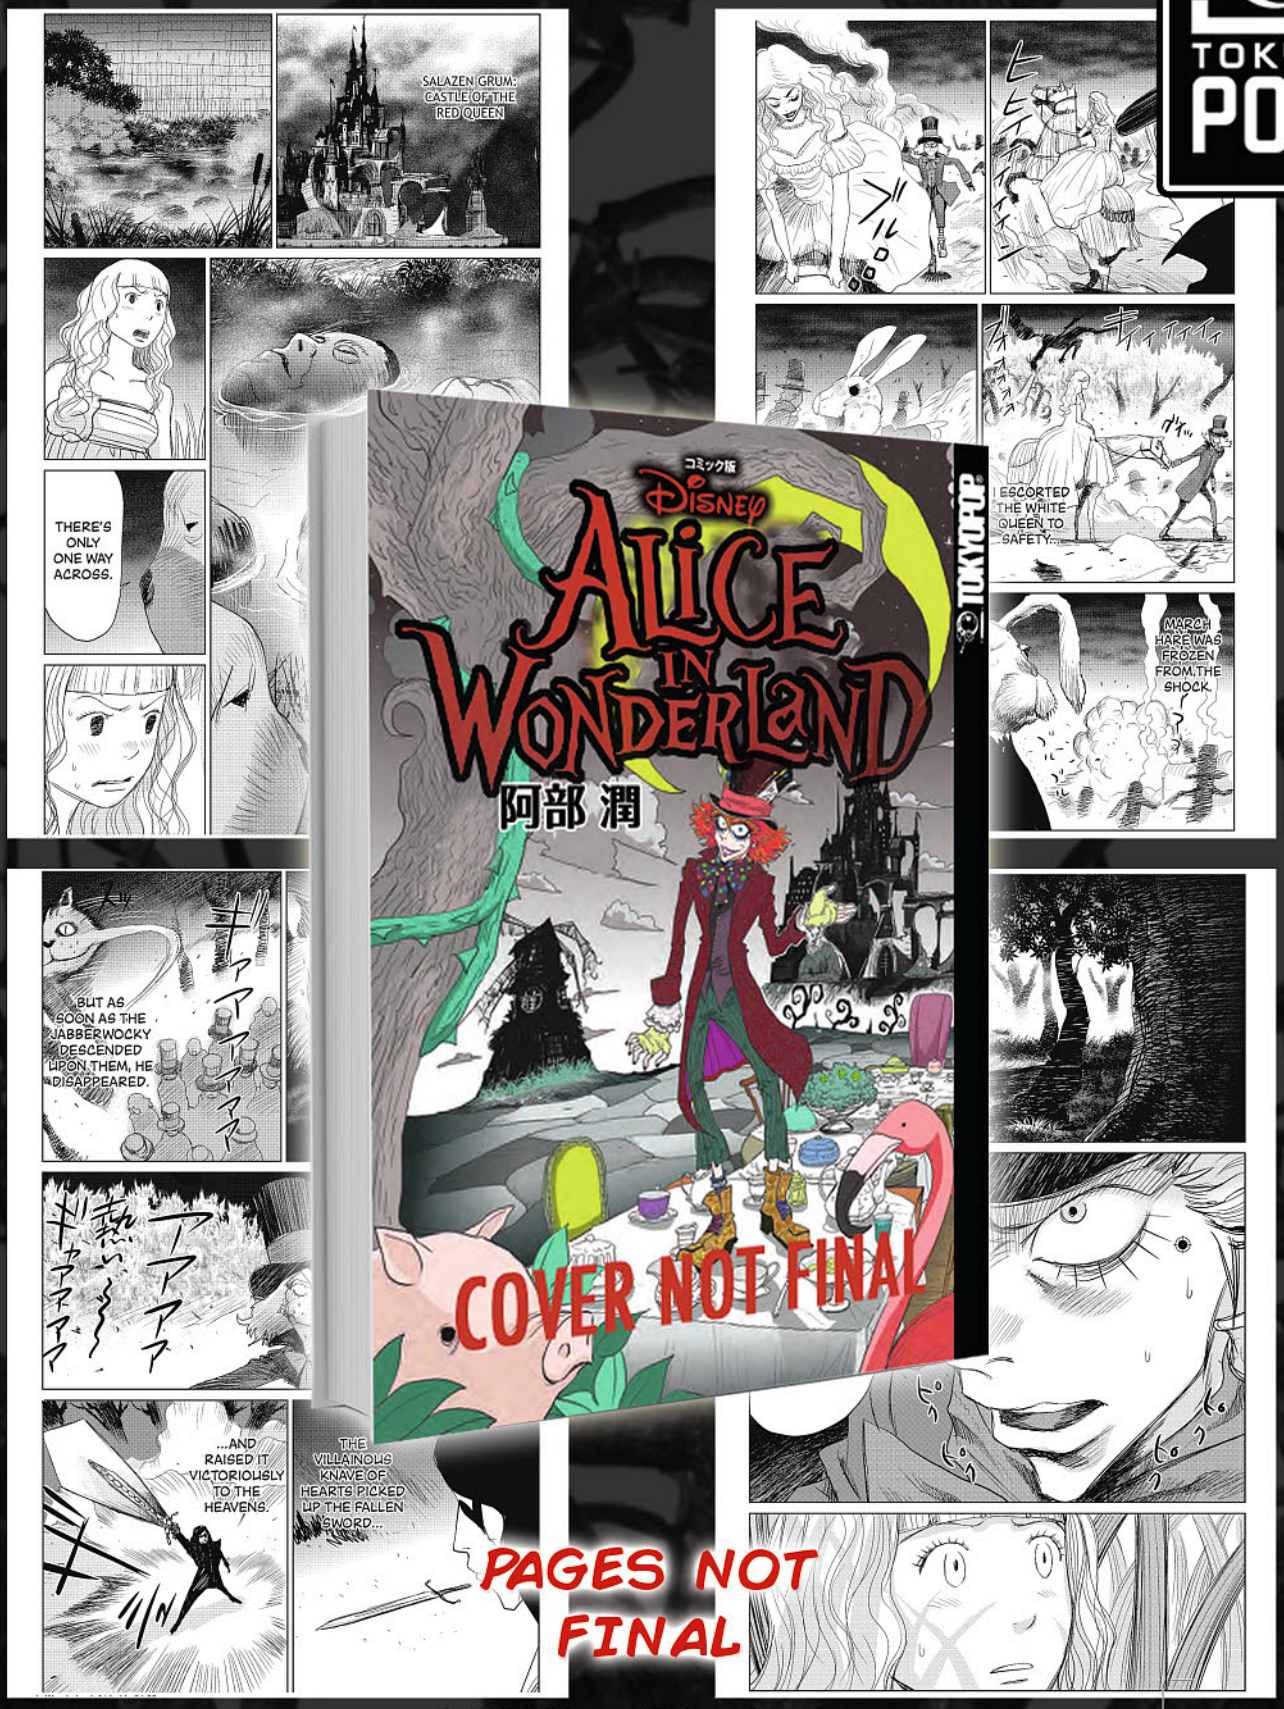

STU: It's hard to believe five years has already passed since we had to shut down our North American publishing operation. Times were tough then, but thanks to the overwhelming support of our partners and fans, we're finally able to dip our toes back in. Over the past five years, it's clear that otaku culture - and geek culture overall is here to stay, and manga & comics remain the pulsating heart of it all.

PREVIEWS: Will you have the same or different approach this time around?

STU: Our legacy is establishing the mainstream market for manga in North America, so that's no longer needed. Instead, facilitating the publication of special books that tell compelling stories with incredible art is a contribution we can continue to make. Expect unique twists on popular brands, new discoveries and the unexpected we continue our mix of East-West fusion.

PREVIEWS: Your first titles are based on famous Disney brands - can you tell us more?

STU: We have had a long-term relationship with Disney, publishing many of their top brands in manga and Cine-Manga form over the years, and with their current grip on the pop culture scene it made perfect sense for us to pick up that ball and run even further with it. Disney has very special brands - and continues to develop exciting new brands - so we expect to throw our hat in that ring with fun manga-inspired publications.

A MESSAGE FROM TOKYOPOP®

PREVIEWS: You really like metaphors.

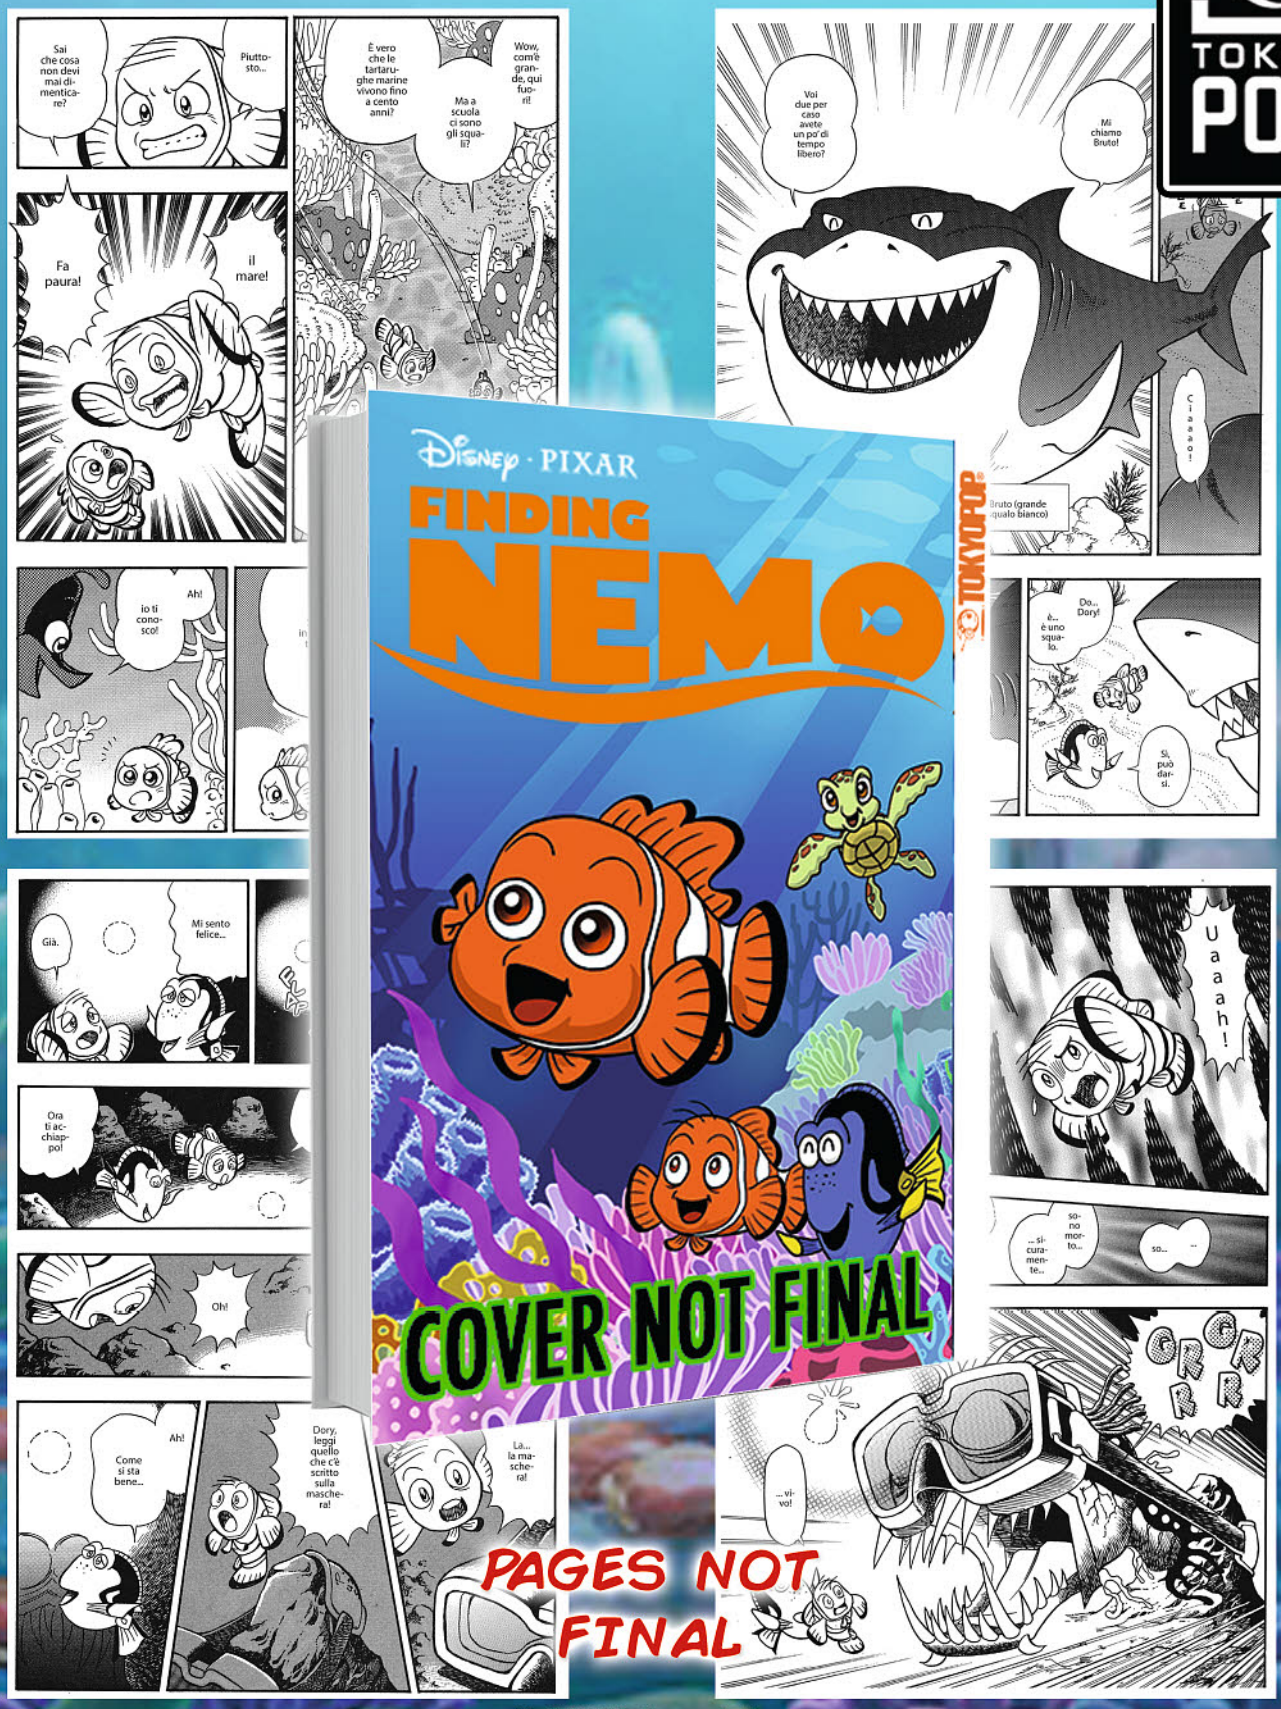

STU: LOL I'm tying my hardest not to mix them - you should see me when I'm giddy.

PREVIEWS: What's your view on manga and comic book shops?

STU: Nowadays, comic book shops are a frequent destination not only for avid collectors but for families and teenagers as well. I think the timing is right to provide manga that appeals to a cross-over audience with familiar brands stylized by talented manga creators. Comic book shops can utilize TOKYOPOP books to satisfy that wide demographic, especially with our new Disney • Pixar Manga Collection and upcoming all-ages manga titles.

PREVIEWS: Any last words?

STU: I'm so excited to be back doing what has been my passion for almost 20 (gulp!) years - publishing manga. And I'm very thankful to all of you - fans, retailers, journalists, creators and of course our PREVIEWS family for supporting our efforts over the years. TOKYOPOP could not exist without you - and I hope our relaunch will reward the faith you've shown us throughout the tough times. I want to make you proud to be part of Team TOKYOPOP!

KODOJA VOLUME 1: TERROR MOUNTAIN SHOWDOWN TP
(W) Keith Foster (A) Rory Smith (CA) Elroy Jenkins
Three years ago, Special Weapons Division deactivated a highly advanced Superweapon: a 200-foot tall DNA Droid called X66-7 or "Kodoja", it was shut down because it performed too well in testing to the point of being unstoppable. Today, Kodoja was reactivated without warning and cut a swath of destruction across America and leveled every outpost of Special Weapons Division, save one. That one surviving outpost is headed by demoted chief designer of Kodoja, Jennifer Cruz. With all of Special Weapons Division gone, she and her team must stop the weapon they themselves designed too well. (STL006340)

COMIC BOOK CREATOR #13
The illustrative greatness of Michael W. Kaluta is captured in a comprehensive interview with the artist, covering his early fans days; mastery of his signature character, The Shadow; development of Kaluta and Elaine Lee's *Starstruck*, work with his fellow legends from the Studio; and Michael's work as the quintessential Vertigo cover artist! Plus we feature an in-depth (and remarkably personal) talk with the amazing Ramona Fradon about her 65+ years in the comic book business, whether as artist on *Aquaman*, *Metamorpho*, *Super-Friends*, or *Spongebob Squarepants*!

AMERICAN COMIC BOOK CHRONICLES: THE 1970S HC
(W) Jason Sacks
Jason Sacks and Keith Dallas coordinate this volume on the 1970s, covering all the pivotal moments and behind-the-scenes details of the emerging Bronze Age! You'll get a year-by-year account of the most significat publications, notable creators, and trends, including: the dawn of relevance with Denny O'Neil and Neal Adams' *Green Lantern*, Jack Kirby's Fourth World saga, revisions to the Comics Code, Jeantte Kahn's arrival at DC, the coming of Jim Shooter, and the arrival of the Direct Market. MODERN MASTERS VOLUME 25: JEFF SMITH SC
(W) Eric Nolen-Weathington
(A/CA) Jeff Smith
TwoMorrows Publishing profiles two of the most acclaimed artists of the past twenty years, Jeff Smith and Ron Garney. Smith is best known for his magnificent graphic novel series *Bone*, and Garney is one of the pioneers of the "widescreen" style of comics art. These career-spanning profiles feature artwork, reminiscences, and exclusive interviews that will give readers insight into the creative process. (STK402935)

MATT BAKER: ART OF GLAMOUR HC
(W) Jim Amash (A) Matt Baker
In the early 1940s, Matt Baker became of one the earliest African-American comic book artists. But it wasn't the color of his skin which made him such a significant figure in the history of the medium. Imagine Dave Stevens or Adam Hughes working in the '40s, drawing a new story every month, and you'll have a good idea of Matt Baker's place in the industry throughout his career. Yet few of today's comic book fans know of the artist or his work, because he died in 1959 at the young age of 38, just as the Silver Age of Comics was bringing in a new generation of readers. THE SENSUOUS FRAZETTA HC
(W) J. David Spurlock (A/CA) Frank Frazetta
Vampirella, *Weird Science*, *Dejah Thoris*: No one renders exotic women better than Frazetta, the world's greatest fantasy artist. Until now, only the most ardent collectors possessed the elusive grail items from the short period of Frazetta's early-1960s Men's magazine and risqué paperback illustrations. Often selling for hundreds of dollars each, these rare publications bridged Frazetta's exodus from traditional comics, to his now-legendary *Conan* and *Death Dealer* paintings. Now, in an affordable volume, Vanguard presents the most complete collection ever of rare, vintage, *Sensuous Frazetta*. BLOOD SHOT REBORN #14

ALL-NEW ARC! ALL-NEW JUMPING-ON POINT!

BLOODSHOT ISLAND STARTS NOW!

FROM NEW YORK TIMES BEST-SELLING WRITER

JEFF LEMIRE

(OLD MAN LOGAN)

AND BLOCKBUSTER ARTIST

MICO SUAYAN

(HARBINGER)

ALL-NEW ARC! ALL-NEW JUMPING-ON POINT! Welcome to "BLOODSHOT ISLAND"!

Stranded on a mysterious desert island, Bloodshot is running for his life! But as he tries to make sense of his surroundings, he's quickly discovering that this is no ordinary tropical getaway... Surrounded by decommissioned relics of the same bloodstained project that created him - World War II Bloodshot, Cold War Bloodshot, Vietnam Bloodshot, and other antiquated experiments - Bloodshot is about to find out where Project Rising Spirit sends it old soldiers to die. Can this seasoned band of killers trust each other long enough to survive the threats that lie in the jungle around them...and unlock the secret at the heart of the island's existence before they're each permanently retired? And who or what is the sinister force called DEATHMATE that now hunts them at every turn?

This summer, superstar creators Jeff Lemire (*Extraordinary X-Men*) and Mico Suayan (BLOODSHOT REBORN) send Bloodshot screaming into his most action-packed adventure yet as "BLOODSHOT ISLAND" ups the ante for the Valiant Universe's most formidable soldier!

(RAI)

The most ambitious comics event of 2016 brings war to the 41st century – with Rai leading the charge!

Rai is smashing headfirst into New Japan with his team of hardened rebels – including the Eternal Warrior and a giant X-O Manowar mech-armor that's been dormant for centuries! But when Father transforms New Japan into an impenetrable space dragon as a defense of last resort, what hopes will the united heroes of 4001 A.D. have of freeing the citizens of New Japan from Father's brutal reign? Will Rai have to destroy New Japan...to save it?

New York Times best-selling writer Matt Kindt (DIVINITY II) and superstar artist Clayton Crain (*X-Force*) bring their startling vision of the year 4001 A.D. to new heights...with the fate of New Japan floating in the balance!

4001 A.D. BLOOD SHOT #1

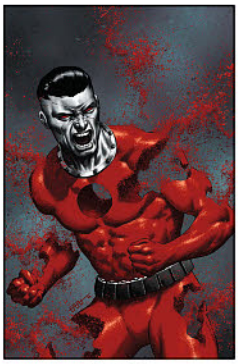

Once upon a time...in the year 4001 A.D...

Centuries ago, Bloodshot was the man called Ray Garrison. Now, in the year 4001 A.D., Ray Garrison is no more...but the nanites that once thrived inside him endure still. With their master long since gone, the microscopic machines that once drove Bloodshot through every firefight, healed every wound, and calculated every outcome have one final directive left to execute...but what could it possibly be? And how will the forces of the future react when the infamous man-turned-machine called Bloodshot returns to fight another day?

The world runs red!

Abram Adams' former teammate - the long-lost cosmonaut Myshka - has returned from deep space...and, seemingly overnight, the former Soviet Union has taken charge as the globe's preeminent economic and military force. As the Western world grapples with the ensuing chaos and confusion of Russia's rapid return to power, Divinity and Ninjak attempt to marshal resistance against an empire enabled by the god-like will of one of its own true believers. But nothing escapes the sight of the super-powered gods that now walk among us...and our fate will be forever decided when Myshka targets Divinity for control of our world's destiny!

From the award-winning team that brought you ARCHER & ARMSTRONG comes a centuries-spanning race against the clock! Join New York Times best-selling writer Fred Van Lente and acclaimed artists Clayton Henry, Francis Portela, and Pere Pérez and to find out why Wired says, "this long-overdue series is Ivar's time to shine..."

At this very moment in Geneva, Switzerland, history is being made. A thousand meters underground inside the Large Hadron Collider, researcher Neela Sethi is about to discover time travel - and jeopardize her life in the process. But she doesn't know that yet. Ten minutes from now, every deadbeat chrononaut, wannabe conqueror, and misguided protector of the timestream will be banging down her door. Good thing that the legendary Ivar, Timewalker, got there first...right? Now it's down to history's most jaded, most tempestuous time traveler to stop the worst of everything that is, was, and will be...before time runs out!

Collecting IVAR, TIMEWALKER #1-12 along with 20+ pages of rarely seen designs, process art, and extras in deluxe, oversized hardcover.

From legendary writer Garth Ennis (*Preacher*) and Eisner Award-winning artist Ashley Wood (*Zombies Vs. Robots*), discover the acclaimed series that inspired the hit Shadowman video game series - collected here for the first time ever!

Jack Boniface died last night. The ruthless Tommy Lee Bones and his band of outlaw escapees from the Deadside have come to pass sentence on the citizens of New Orleans one miserable soul at a time...and they've started with the Shadowman! Now, New Orleans needs a new protector, someone with the quick eye, steady hands, and steely nerve needed to kill the dead again. But when the voodoo powers that guide the Shadowman turn to a stone-cold killer with a mysterious past known only as Zero to take up the mask, things will turn out deadlier than anyone could possibly have imagined...

Collecting SHADOWMAN (1997) #1-4, along with **SHADOWMAN PRESENTS: DEADSIDE #1-3** and featuring never-before seen sketches, designs and process art straight out of the Valiant vaults!

EDGAR RICE BURROUGHS' THE LAND THAT TIME FORGOT #1

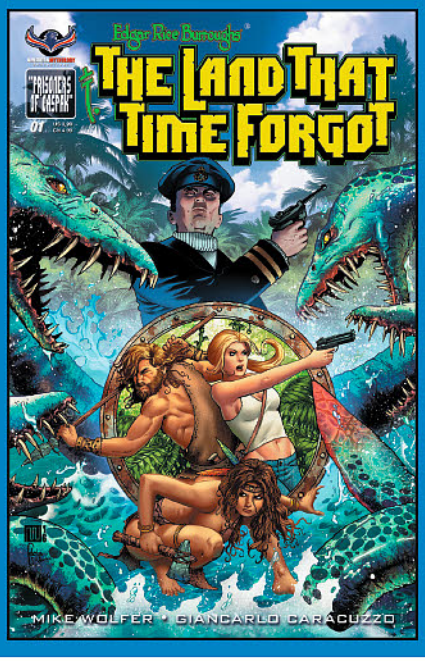

Recommended by Trevor Richardson

In 1916, Bowen Tyler, some British pals, and the crew of a German U-Boat washed onto the shores of Caspak, a prehistoric island hidden from the rest of the world. The only record of Tyler's adventures with the indigenous people of the island was a manuscript stuffed into a Thermos and tossed out to sea. Today, after 100 years, Tyler's great granddaughter Abby has launched an expedition to uncover the island and verify the claims of her ancestor.

In American Mythology's newest offering, comic veteran Mike Wolfer picks up where Edgar Rice Burroughs left off. In a flashback, we witness the hand of Captain Tyler offering his Thermos and his story to the ocean waves, letting us know everything that follows is the result of that final moment of Bowen's journey. All of the iconic pieces are still in place – dinosaurs, U-Boats, cave people – but this is a new vision for *The Land That Time Forgot* as it seeks to answer modern day questions that were not even considered when the original story was penned. How does an island stay hidden in the age of satellites and Google Earth? Is time on Caspak different than time on the rest of the planet? With so much done for us by technology, can an expedition of 21st-century explorers survive with the same skill and courage as their predecessors or has modern life made them too weak?

With a returning cast of characters and some new additions to the franchise, loyal fans and newcomers alike will enjoy this new vision of long-loved classic.

REALM OF THE DAMNED: TENEBRIS DEOS GN
(W) Alec Worley
(A/CA) Simon Parr
There's no one left to protect us from what lurks in the dark. The monsters have won. Our world now belongs to them. The Vatican's last line of paranormal defence — The Congregation — has finally been overrun by the supernatural forces of darkness. Among them is Abraham Van Helsing — addict, murderer, survivor — and the creatures that were once his prey are now hunting him. Van Helsing's quest for salvation and survival takes him through the ruins of a neo-gothic Europe, where he must face the vampire queen of the Vatican, a man-made monster with the heart of a storm, the lycanthropic lord of the forest, the mummified ruler of the slums of Egypt, and the crazed vampire demi-god who threatens to devour them all. LA MUERTA: DESCENT #1

Recommended by Sarah Martinez

Southwestern City, USA. A combat veteran has returned home from the Middle East to find her city and her family tangled in the vicious machinations of kill-crazed cult of drug dealers. Drawing heavily on Hispanic-American Catholicism and culture, Brian Pulido's new femme fatale series mixes fantasy elements *a la The Crow* with a grindhouse aesthetic worthy of Tarantino.

This title follows in the tradition of many great stories, from the Greek classics to the nineties' comics' favorites: a trained fighter returns home to find loved ones beset by evil forces and takes vengeance for the wrongs done in their absence. Whether we're talking about Odysseus or Spawn, it's a great theme rich with possibilities and Pulido and his team dig right into it. In the first issue alone, we see the parallels between the Afghan desert where Maria served and the deserts of the southwest US where she will serve a higher power. We see the links between the US war against Terror and La Muerta's own war against the drug dealing cult that holds her city in thrall. Repeated visual allusions are made via lighting, statuary, and symbols to La Muerta's holy duty—her divine charge—to bring the villains to justice. This is more than one ex-soldier's obsession and anger, this is crusade.

Gangland gunplay from beyond the grave.

How do you kill an idea? Across the dusty plains of America's southwest, a deadly storm is brewing. A string of murders portend the sinister designs of an infamous terrorist to bring about the end times. Two FBI agents have heeded the signs, and only their rogue actions, aided by a potentially untrustworthy expatriate with deep ties to the terrorist, can push this darkness back. Indoctrination explores America's terrifying underbelly-of death cults and sleeper cells, serial killers and apocalyptic nightmares. (STL006400)

1000 PIN-UP GIRLS HC
(W) Peter Driben
"Girls, Gags & Giggles," ran publisher Robert Harrison's recipe for dishing up Pin-up to the American male. While other magazines delivered the girl next door, Harrison's publications banked on bad girls in satin and leather, fishnet stockings, and six-inch heels performing slapstick stunts straight from the burlesque stage. Harrison lured his readers in with vibrantly painted covers by top Pin-up artists Earl Moran, Billy DeVorss and, most famously, Peter Driben. This Bibliotheca Universalis edition celebrates this eye-catching candy with every single cover from *Beauty Parade*, *Wink*, *Titter*, *Eyeful*, *Flirt*, and *Whisper* from 1942 to 1955, as well as interior spreads, featuring, among others, a budding Bettie Page. GISELE BUNDCHEN HC
Born in the Brazilian countryside, and nearly six feet tall by the age of 14, Gisele Bündchen grew from humble roots into the most successful supermodel in the world. This book celebrates her 20-year milestone in the industry with a unique and spectacular collection of jaw-dropping glamour and intimate, personal insights. Gisele was just 18 when she made her breakthrough in the S/S 1998 ready-to-wear "Rain" show of Alexander McQueen, who chose "The Body" thanks to her ability to walk in towering heels on a slippery runway. With more than 300 photographs, this book is curated and art directed by Giovanni Bianco. From Gisele's legendary nude portrait by Irving Penn to iconic shots, it is a unique artistic presentation of the most famous Brazilian export together with Pelé and Senna and the highest-earning model in the world. NEW YORK GIRLS 20TH-ANNIVERSARY EDITION HC
(W/A/CA) Richard Kern
New York Girls, first released in 1995, and published by TASCHEN Books in 1996, defined a time, a place, and the raw esthetic of the artist Richard Kern. After kicking his heroin habit, Kern turned to still photography, shooting girls in his downtown, punk-inflected New York social circle. They were naked, bold, tattooed, pierced, and casually posed in minimal sets, mostly just Richard's ratty slum apartment. They were young, but not innocent, fully complicit in the bondage, gunplay, and infamous candle insertions. To celebrate the 20th anniversary of Kern's best-known work, TASCHEN is releasing an updated edition with never-published outtakes from the original photo sets, as well as photos rejected as too explicit for the first book and stills from his 25 films. THE CAPED CRUSADE: BATMAN AND THE RISE OF NERD CULTURE
(W) Glen Weldon
Since his creation, Batman has been many things: a two-fisted detective; a planet-hopping gadabout; a campy Pop-art sensation; a pointy-eared master spy; and a grim and gritty ninja of the urban night. How we perceive Batman's character, whether he's delivering dire threats in a raspy Christian Bale growl or trading blithely homoerotic double-entendres with partner Robin on the comics page, speaks to who we are and how we wish to be seen by the world. It's this endlessly mutable quality that has made him so enduring. And it's Batman's fundamental nerdiness — his gadgets, his obsession, his oath, even his lack of superpowers — that uniquely resonates with his fans who feel a fiercely protective love for the character. HELLBOY'S WORLD: COMICS AND MONSTERS ON THE MARGINS SC
(W) Scott Bukatman
(A/CA) Mike Mignola
Hellboy, Mike Mignola's famed comic book demon hunter, wanders through a haunting and horrific world steeped in the history of weird fictions and wide-ranging folklores. *Hellboy's World* shows how our engagement with Hellboy's world is a highly aestheticized encounter with comics and their materiality. Drawing upon other media — including children's books, sculpture, pulp fiction, cinema, graphic design, painting, and illuminated manuscripts — Bukatman reveals the mechanics of creating a world on the page. Monsters populate the world of Hellboy comics, but Bukatman argues that comics are themselves little monsters, unruly sites of sensory and cognitive pleasures that exist, happily, on the margins. JIM HENSON'S THE DARK CRYSTAL: SHADOWS OF THE DARK CRYSTAL VOLUME 1 HC
(W) J.M. (Joseph) Lee (A/CA) Brian Froud
Jim Henson's The Dark Crystal: Shadow of the Dark Crystal is the first book in a series of young adult hardcover novels set in the world of Jim Henson's *The Dark Crystal*. To expand on this rich legacy of *The Dark Crystal*, Penguin and The Jim Henson Company selected J. M. Lee's story "Shadow of the Dark Crystal" from nearly 500 submissions as part the highly publicized The Dark Crystal Author Quest, which was launched at San Diego Comic-Con in 2013. The story takes place years before the events of the classic film and follows the journey of a young Gelfling woman who leaves her secluded home to uncover the truth surrounding the disappearance of her brother who has been accused of treason by the sinister Skeksis Lords. HOW-TO

FRAMED PERSPECTIVE VOLUME 1: VISUAL STORYTELLING SC
(W/A) Marcos Mateu-Mestre
Perspective is a discipline often set aside when it comes to general art study, though it is necessary to master in order to produce any piece of art that is realistic. *Framed Perspective 1* equips artists with the technical knowledge needed to produce successful visual storytelling-related drawings: from understanding the basics, including line of sight and the horizon plane, to more sophisticated endeavors, such as producing shadows and reflections. The book includes extensive step-by-step practical explanations of how to build objects and environments of all sorts, taking that first sketch to a fully rendered artwork. (STL006269) (C: 0-1-1)

FRAMED PERSPECTIVE VOLUME 2: TECHNICAL DRAWING FOR SHADOWS, VOLUME, AND CHARACTERS SC
(W/A) Marcos Mateu-Mestre
Framed Perspective 2 guides artists through the challenging tasks of projecting shadows in proper perspective on a variety of environments and working with characters in perspective set in particular situation or setting. Author and artist Marcos Mateu-Mestre reveals the many techniques and mechanics he has used to become proficient in such endeavors, including using anatomy, shadows, and clothing folds to define the shape and volume of characters within an environment. He also shares how to effectively observe a model or object to extract the right amount of information to then translate it into an impactful graphic and visual image, the goal of every visual storyteller. SIN-A-RAMA: SLEAZE SEX PAPERBACKS OF THE SIXTIES SC
(W) Various
Sin-A-Rama celebrates the near-forgotten world of erotic paperbacks from the 1960s when sex acts were described with code words, writers used pseudonyms, and publishers hid behind mail drop addresses. Sleaze paperbacks sold by the million, and their unorthodox content provoked FBI investigations, court battles, and prison sentences for the crime of "obscenity." Earl Kemp, the notorious Greenleaf Books editor, provides an insider's perspective. In "My Life as a Pornographer," science fiction legend Robert Silverberg divulges how he and other authors learned their sleaze craft. The new expanded edition includes B. Astrid Daley's profiles on "Occult Sleaze," "Swinging Sleaze," and the tawdry taboo stuff that sleaze literature fell into during the 1970s. (STL006249) (C: 1-1-0)

ICONIC GATHERING

GIRL POWER: AMANDA CONNER GALLERY EDITION

Amanda Conner's Power Girl, Supergirl and Silk Spectre get the deluxe hardcover treatment in the new GIRL POWER: AMANDA CONNER GALLERY EDITION. This 248-page oversize edition presents Conner's original artwork just as she finished it, before the addition of any coloring.

The cover and interior artwork contained in this volume includes: *Power Girl* #1, 7, 8, 9, the twelve Supergirl chapters from DC's *Wednesday Comics* and the entire *Before Watchmen: Silk Spectre* saga.

Measuring 12" by 17", this deluxe Smythe-sewn volume features Conner's work printed in high definition at 200 lines per inch on heavy paper stock to closely approximate the look and feel of the original art boards.

The GIRL POWER: AMANDA CONNER GALLERY EDITION can be ordered in the DC Comics section of the order form. Additional information can be found in the DC Comics pages in this month's PREVIEWS.

Batman The Animated Series Dark Knight Batman and Robin Resin Busts

A Diamond Select Release! In Gotham City, there are many stories about Batman, and in nearly every story there is a Robin. These resin busts of Batman and Robin are based on a child's story about the dynamic duo, as seen in the Batman: The Animated Series episode "Legends of the Dark Knight." Inspired by the classic comic book storyline, the episode showed a bigger, more brutal Batman and his new Robin, Carrie Kelly, taking on mutants in a dystopic future Gotham City. Dark Knight Batman measures over 6 inches tall, while Dark Knight Robin measures approximately 5 inches tall; both are in scale to other Batman: TAS busts, and each sits atop an art-deco pedestal inspired by Gotham City architecture. Each bust is limited to only 3,000 pieces, and comes packaged with a certificate of authenticity in a full-color box.

ACTION FIGURE SUPPLIES

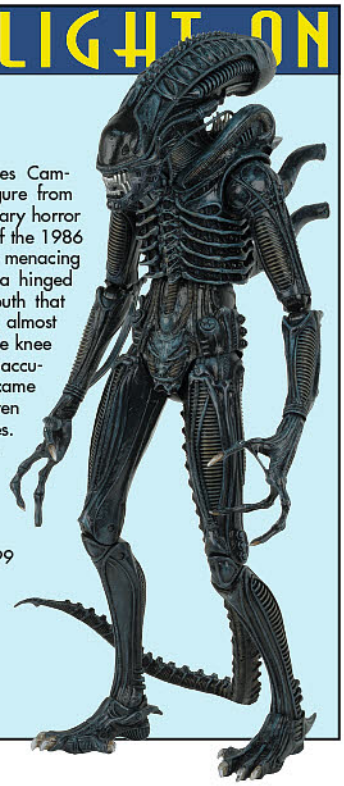

DYNAMIC ACTION FIGURE STAND
Break free from the shelf! No matter how much articulation a figure has, your posing possibilities have been limited by gravity — until now! NECA's *Dynamic Action Figure Display Stand* is an articulated, telescoping stand with two interchangeable bases for display on both horizontal and vertical surfaces. Achieve a full range of dramatic, acrobatic, action-packed poses on flat surfaces, then swap the main base for the suction cup base and do the same on smooth surfaces like windows, walls, doors, mirrors, and more. A segment of the main arm is removable to allow you to control the center of gravity. This game-changing display stand is compatible with most 5"-10" action figures and has a very clean, clear finish. (STL006814) **Item has been previously solicited in *PREVIEWS Plus*.** Scheduled to ship in June 2016. (6338/02082) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.
Display Stand $11.99

ALIEN

SPOTLIGHT ON

ALIENS: ALIEN WARRIOR (1986 VERSION) 1/4-SCALE ACTION FIGURE
Celebrate the 30th-anniversary of James Cameron's *Aliens* with a new 1/4-scale figure from the thrilling 1986 follow-up to the legendary horror film, *Alien*. This is the first appearance of the 1986 Warrior in NECA's 1/4-scale line! The menacing Warrior stands over 22" tall, and has a hinged jaw that opens, revealing an inner mouth that extends for realistic movie action. It has almost 30 points of articulation, including double knee joints and a bendable tail, and is movie-accurate, down to the bluish tint that actually came from the lighting used in the film to heighten the cold, alien nature of these creatures. (STL006805) **Item has been previously solicited in *PREVIEWS Plus*.** Scheduled to ship in July 2016. (6338/51363) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.
Figure $119.99

AVENGERS: AGE OF ULTRON

AVENGERS: AGE OF ULTRON: THE HULK 1/4-SCALE ACTION FIGURE
Introducing NECA's biggest action figure ever! Based on his appearance in Marvel's *Avengers: Age of Ultron*, the Hulk 1/4-scale figure measures a mind-boggling two feet tall. This stunning rendition of Bruce Banner's gamma-irradiated alter ego has over 25 points of articulation for smash-ready poses. Hulk comes with 2 sets of interchangeable hands and is lovingly detailed to be entirely authentic to the movie. (STL006800) **Item has been previously solicited in *PREVIEWS Plus*.** Scheduled to ship in July 2016. (6338/61416) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

BATMAN

BATMAN 1966 CLASSIC SURF ACTION FIGURES
Get ready to hang ten with a special edition series of figures inspired by the classic "Surf's Up, Joker's Under!" episode of the 1960s *Batman* TV series! Both *Batman* and *Joker* come ready to ride the waves with bathing suits over their traditional costumes! Not only that, but they will each come with their own surfboards, allowing collectors to recreate the climactic surfing contest! *Barbara Gordon*, aka Batgirl, is dressed her black swimsuit, and *Chief O'Hara* is decked out in his beach goer disguise of "Duke"! Each set of outfits and accessories is meticulously detailed to match up with everything you saw in the episode! (STL005593) **Item has been previously solicited in *PREVIEWS Plus*.** Scheduled to ship in April 2016. (1996/BMTV020) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

BATMAN: ARKHAM

SPOTLIGHT ON

BATMAN: ARKHAM KNIGHT: HARLEY QUINN 1/4-SCALE ACTION FIGURE
From *Batman: Arkham City*, the second chapter in the most successful Batman video game series ever, comes NECA's first-ever *Harley Quinn* action figure! To do this deadly gal justice, Harley debuts in 1/4-scale format. Harley stands 18" tall and features over 25 points of articulation and a metal wallet chain. She comes with two machine guns, baseball bat, and interchangeable hands; all will come in handy in her vicious battles against Batman! (STL006787) **Item has been previously solicited in *PREVIEWS Plus*.** Scheduled to ship in August 2016. (6338/61436) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

VINYL IDOLZ AMERICAN PSYCHO: PATRICK BATEMAN VINYL FIGURE

Vinyl Sugar is the illegitimate love child between Funko and some of the best free-wheeling designers from the back streets of London, the boutiques of Harajuku, and the galleries in NYC. Vinyl Sugar - because you crave it! What happens when the twisted minds over at Evil Corp get together with Vinyl Sugar? A mash-up of pop culture with a wicked British bent, the Vinyl Idolz! Patrick Bateman has all the characteristics of a human being: blood, flesh, skin, hair; but not a single, clear identifiable emotion, except for greed and lust. Though he can hide his cold gaze, and you can shake his hand and feel flesh gripping yours, he's simply not there. Based on the film adaptation of Bret Easton Ellis' novel *American Psycho*, this Vinyl Idolz figure recreates Christian Bale's unforgettable role as Bateman. Window box packaging. STAR WARS COLLECTORS GALLERY: DARTH VADER 9-INCH STATUE
Anakin Skywalker was a great Jedi Knight, who fought for the Republic before the Dark Times. His decent into darkness was brought on by the evil Darth Sidious, who would go on to convert Skywalker to the Dark Side. When that happened, Darth Sidious crowned himself Emperor, and named Skywalker "Darth Vader, Lord of the Sith." Sculpted by Gentle Giant's master artisans, this Darth Vader statue recreates a scene from *Star Wars: The Empire Strikes Back*, as Lord Vader bows in devotion to the Emperor. Each limited edition hand painted piece is cast in high quality polyresin with crisp details. This statue also comes individually numbered with a matching Certificate of Authenticity. DC COMICS HARLEY QUINN NEW 52 VER. BISHOUJO STATUE

Kotobukiya proudly presents the next entry in the lineup of Bishoujo statues based on the superheroines and villains of DC Comics with the ultimate fan-favorite character in a colorful look: HARLEY QUINN NEW 52 VER.! Harley Quinn makes her triumphant return to the Bishoujo series with traditional Japanese "pretty girl" styling complementing her unique appearance in the New 52 based on a new character interpretation by Shunya Yamashita. Harley Quinn stands in a fun, relaxed pose as she leans forward with one hand on her hip and her comically oversized hammer resting over her shoulder. This all-new sculpt features the unique New 52 outfit for the crazy character with her signature harlequin style and blue and red contrasting colors featuring a lace-up top, short shorts, thigh-high stockings, and short cape in addition to twin pigtails. The amazing details on this figure include her exaggerated makeup, bright red lipstick, and color-coordinated painted nails. In addition to her hammer, Harley has twin holstered pistols attached to her gun belt along with spare ammunition clips circling her waist.

Sculpted by M.I.C., Harley Quinn New 52 Ver. stands nearly 9 inches tall (1/7 scale) on her specially designed display base. Display her alone or alongside other DC character Bishoujo statues from Kotobukiya like Batgirl, the Huntress, and Poison Ivy!

MARVEL NOW! WOLVERINE ARTFX+ STATUE

Kotobukiya's series of Marvel Comics ARTFX+ Statues continues with the latest mutant hero in the Marvel Now lineup that has been taking the world by storm. In 2012 the comic book company relaunched several titles, shifting some characters into different books and updating some for a modern audience. More than anything, it provided a perfect jumping on point for new readers. Now the characters are brought to life as never before based on concept artwork by superstar artist Adi Granov, who was also responsible for the preceding Avengers series. Completing the X-Men lineup and joining previously released Cyclops, Emma Frost, Magneto, Magik, Beast, and Rogue is fan favorite WOLVERINE! Throughout his years with the X-Men (and other teams) he's worn several different costumes, and this new version is the ARTFX+ debut of his unique Marvel Now outfit consisting of a tough, combat-ready uniform. It's a full bodysuit revealing only the lower part of his face, though of course his claws protrude through it as well. Wolverine is captured in mid-lunge, stepping forward with his right leg as he jabs his left hand for a lethal strike. The stark black and yellow armor sections of his costume make a cool "X" out of negative space, and it includes his trademark pointed cowl. Logan's face is contorted into a fierce snarl as he attacks his enemies, and he looks super cool with his eyes covered by the pure white lenses of his costume. Sculpted by the same master artist who did the Marvel Now! Avengers series, Junnosuke Abe, the diminutive Wolverine stands under 7 ½ inches tall (in the ARTFX+ 1/10th scale) with magnets in his feet to provide perfect stability on his included display base. This mainstay of the X-books and popular mutant hero is a great solo statue and of course completes your epic Marvel Now X-Men collection from Kotobukiya!

攻殻機動隊 ARISE
GHOST IN THE SHELL

GHOST IN THE SHELL ARISE KUSANAGI MAKOTO ARTFX-J

A KOTOBUKIYA Japanese import! The latest new addition to the ARTFXJ lineup is the internationally mega-popular franchise Ghost in the Shell! Leaping directly out of the re-imagining series Ghost in the Shell: Arise with character designs by Kazuchika Kise is the main heroine in an amazing new presentation: MOTOKO KUSANAGI! A younger version of the cyborg than she appeared in previous installments of the series, Motoko sits atop a high-tech device that's plugged into her prosthetic body via wires and cables in her legs, chest, and back. The 501 Organization Agent waits impatiently for the procedure to be finished with one hand resting next to her and the other casually holding a pistol with her arm resting on her pulled-up knee. Motoko wears her signature red shorts and top and her short blue hair frames her scowling face and matches her blue eyes. The machinery in her base, wires, and connection ports in her body are beautifully rendered with intricate sculpted detail and lots of different colors. Sculpted by Shin Tanabe, Motoko Kusanagi is over 6 ½ inches tall (1/8 scale) sitting on her unique display base and makes for the perfect centerpiece in your Ghost in the Shell collection!

TREASURES

Tokyo's Akihabara shopping district, also known as "Electric Town," is the destination shopping area for techies and otaku (fans) in search of their favorite anime, manga, toys, games and the latest in electronics merchandise. Working closely with some of Japan's leading manufacturers as well as smaller niche companies, *PREVIEWS* has sought out and secured some of the most unique, rare and previously unavailable Japanese culture items — available for the first time to our readers!

DARUMA CLUB MINI-FIGURES

From Tamashii Nations. Daruma Club, a funky new series from Tamashii Nations, takes Japanese themes and characters and mixes them with the traditional Japanese "daruma" motif. Fun fact: Daruma are often given as gifts with blank eyes. The receiver will set a goal and fill in one eye. When the goal is achieved, they fill in the other eye and the daruma's work is done. Why not try taking home one of these fellows? Vol. 1 includes unique designs as well as three character collaborations: *Ultraman*, *Creamy Mami*, and *Peko-chan*. (STL005675) **Item has been previously solicited in *PREVIEWS Plus*.** Scheduled to ship in August 2016. (1832/BAN07421) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

BATMAN V SUPERMAN: DAWN OF JUSTICE PLAY ARTS KAI: ARMORED BATMAN FIGURE

From Square Enix. In the film, *Batman v Superman: Dawn of Justice*, Bruce Wayne creates an armored suit, assembling the full might of mankind's technology, shoring up the strength of Earthlings against the might of the powers of the alien Superman. The hulking and heroic appearance of that suit has been recreated here as a *Play Arts Kai* action figure. Tiny nicks, scratches and weathering on the armor show Batman's battle scars. His eyes, painted with a pearlescent paint, look almost as if they are glowing. All these details and more make it seem as if Batman is in the midst of his battle with Superman. The deep emotions springing from beneath his heavy armor can be expressed through a wide range of action poses. He is well-prepared, with accessories including a grenade launcher and various interchangeable hand pieces. Figure also includes display stand. Window box packaging. O/A MARVEL UNIVERSE VARIANT PLAY ARTS KAI: THOR FIGURE
From Square Enix. The Mighty Thor Odinson, heir to the King of the Gods, is descended to the human world of Midgard! In the *Variant Play Arts ~KAI~* series, his godly aspect has been captured in every detail of his physique. The contours of his ornamental armor are accentuated by careful paintwork. Each detail of his costume stands out from the next for an artistic finish to this figure. Mjolnir, a mighty hammer that can only be held by one worthy of the power of Thor, has been exaggerated in its size to convey the sense of power imbued in this iconic Asgardian weapon. Whether calling down a bolt of lightning or pulverizing his enemies with a swing of his hammer, this mighty god of thunder can be dynamically posed by combining the wide range of included accessories. (STK682198) **Available Now!** (1089) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.
Figure $150.00

O/A MARVEL UNIVERSE VARIANT PLAY ARTS KAI: VENOM FIGURE
From Square Enix. *Venom* is a symbiotic relationship incarnate: a human host co-existing with a sentient alien parasite, appropriately called a "symbiote." This figure portrays the ominous presence of Venom through his hulking physique, his toxic color scheme, the web-like patterns stretched across his skin, and his ghoulish, sprawling tongue. The contrast of matte and glossy textures in the paintwork, along with his realistically grotesque maw make him a truly impressive figure. This figure's range of motion is unlike any living creature on earth, and can be posed in wild, contorted ways. Accessories include effect parts that show symbiote appendages reaching out like massive hands, showcasing and accentuating his extraterrestrial qualities. Figure includes display stand. (STK685440) **Available Now!** (1089/662248816474) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

WARHAMMER 40K: DAMNOS SC
(W) Nick Kyme
The world of Damnos faces annihilation by the necrons, until the Ultramarines arrive to even the odds. When Damnos is hit by cataclysmic earthquakes, an ancient force is awakened. Deep beneath the earth, the necrons rise from their slumber to decimate the human populace. The Ultramarines brave an orbital bombardment to deploy their forces on Damnos. They are led by two legendary warriors — Captain Cato Sicarius and Chief Librarian Tigurius. They are the planet's last, great hope against the remorseless alien foes, but tensions within their ranks threaten to derail victory. As battle rages on Damnos, and the Ultramarines seek to defeat their soulless enemies, Tigurius receives a terrible vision, a vision telling of the death of a hero! (STL006942) (C: 0-1-2)

PATHFINDER ADVENTURE PATH: HELL'S VENGEANCE BOOK 5: SCOURGE OF THE GODCLAW

Now bound to Queen Abrogail by infernal contracts, the villainous adventurers are given the task of destroying the Glorious Reclamation's headquarters in the former citadel of the Hellknight Order of the Godclaw, where they face a gold dragon that was once an ally of Iomedae herself! With the dragon defeated and the citadel secured, the vile characters must perform an evil ritual, using the dragon's head to craft a legendary weapon capable of defeating the Glorious Reclamation's army of valorous knights.

Scourge of the Godclaw is a *Pathfinder Roleplaying Game* adventure for 13th-level characters. Several new monsters, a look at the responses of Cheliax's neighbors to the ongoing rebellion, details on the worship of the archdevil Geryon, and the next installment of the Pathfinder's Journal round out this volume of the *Pathfinder Adventure Path!* (STL003202) (C: 0-1-2)

SC, 8x11, 96pgs, FC $24.99

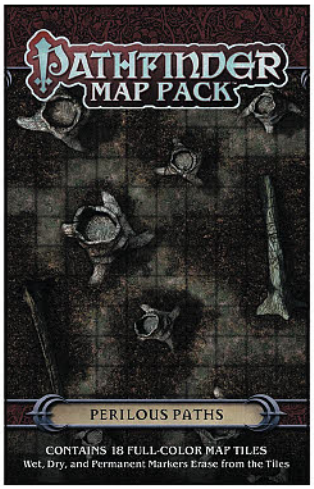

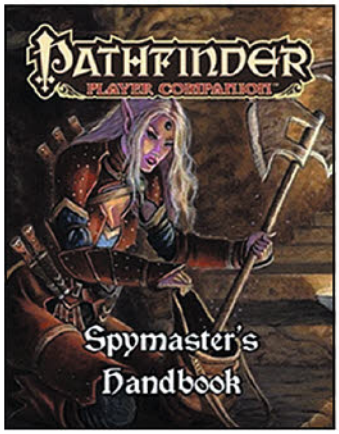

PATHFINDER CAMPAIGN SETTING: PATH OF THE HELLKNIGHT
Merciless, black armored enforcers, Hellknights care nothing for good or evil, only the order's absolute, unflinching vision of law. In *Pathfinder Campaign Setting: Path of the Hellknight*, you'll join the ranks of the *Pathfinder* world's harshest champions of order, knights tempered by ironclad discipline and the flames of Hell itself. Learn the ways of the Hellknights' ruling oaths, their true ties to the legions of Hell, and more secrets of one of *Pathfinder*'s most fearsome organizations. Characters will also lay claim to the complete Hellknight arsenal, from terrifying battle arts and grim equipment to the secrets of masked signifiers' battlefield magic. The Hellknights' unstoppable might is yours to command, ready to impose order — whatever the cost. (STL003203) (C: 0-1-2)

読漫画 MANGA MONTH

ART BY SHIGERU MIZUKI

THE MANGA MAKERS

The old saying "It takes a village", is extremely appropriate when you start talking about bringing manga from Japan to Western audiences. There are an awful lot of talented people involved—people who share a passion for the creativity and stories that only manga can bring to its readers. Here's a few people behind the scenes who make manga happen for all of us.

PREVIEWSworld:
Tell us a little bit about yourself?
What's it like being Zack Davisson?

ZD: I'm a translator and writer, with a special interest in classic manga and Japanese folklore. I translate manga legends like Shigeru Mizuki, Satoshi Kon, and Leiji Matsumoto, and I am also the author of Yurei: The Japanese Ghost and an essayist for Wayward from Image comics. I have contributed to exhibitions at the Wereldmuseum Rotterdam and the Henry Art Museum, lectured at Denison University and Everett College, and I was nominated for the 2014 Japanese-US Friendship Commission Translation Prize for my translation of the Eisner Award winning Showa: A History of Japan. I live in Seattle, Washington with my wife Miyuki, dog Mochi, cats Bagheera and Shere Khan, and several ghosts.

What are your favorite manga you've worked on in your career?

ZD: Definitely Kitaro from Drawn & Quarterly. That's the comic I got into manga translation to work on—that was my dream project long before I ever got my first job! I don't know that it will ever get much better!

P: What manga are you currently working on?

ZD: I'm doing the 7-volume Kitaro series for Drawn & Quarterly, and am starting on the second volume of Queen Emeraldas for Kodansha. Both are dream projects!

P: What Manga artists/creators have influenced you?

ZD: Leiji Matsumoto was my first introduction to manga, with his anime like Space Battleship Yamato and Queen Emeraldas. Shigeru Mizuki I discovered much later, but have been obsessed with ever since. I feel he is a true genius of the comic art form. I also love Rumiko Takahashi, Jiro Taniguchi, Miyuki Saga, Satoshi Kon, Ryoichi Ikegami, Inio Asano, and many, many more!

ZACK DAVISSON

P: What is your favorite manga?

ZD: Kitaro of course! But I may be a bit biased there. If I had to go with one I didn't work on, then Inio Asano's *Solanin* tops my list. And Rumiko Takahashi's Maison Ikkoku will always hold a special place in my heart. Love that comic.

P: What anime do you think should be made into a manga or vice-versa?

ZD: That's tough for me, because I don't watch much anime. I don't honestly know what is available. It would be interesting to see something like Shigeru Mizuki's Showa: A History of Japan animated, although I don't know how they would do it. I tend to like the more human anime, like Isao Takahata's work.

P: What manga titles would you recommend to readers?

ZD: Of course, all of Shigeru Mizuki's comics! He is a phenomenal artist—one of the best to ever put ink to paper. For comics I didn't work on, Asano's *Solanin* is a constant recommendation, as is Jiro Taniguchi's *The Quest for the Missing Girl*. I also recently fell in love with Makoto Yukimura's Planetes. All of those should be on anyone's shelves. And Dr. Slump, because that is just brilliant. Oh! And Vinland Saga! And … too many to mention!!! I really love manga.

STU LEVY

PREVIEWSworld: Tell us a little bit about yourself? What's it like being Stu Levy?

SL: Instead of giving my official bio (which you can read on my website www.StuLevy.com), I've basically done a bit of everything in my career. Focusing on manga, I've edited, published, translated, curated, lettered, retouched, written, and even drawn storyboards (thumbnails) – but I've never drawn pencils, inks, tones or colors because I'm a terrible artist. Although one time, I helped paint an amazing mural that Santa Inoue (creator of "Tokyo Tribes") drew for the show Extreme Makeover Home Edition! So far, I've overseen publication of more than {gulp} 4000 manga.

P: What are your favorite manga you've worked on in your career?

SL: That's a very difficult question for me since I've been fortunate to publish so many amazing manga. I suppose it's a toss-up between my first major title "Sailor Moon" and my main original title "Princess Ai". I learned a tremendous amount from both of those experiences. With "Sailor Moon", I did the original translation, English adaptation and even lettering and retouch work. It was very early in the English-language manga market, so we were breaking new ground, more or less making things up on the fly. Trying to balance the original Japanese version with the already-released English-language anime was difficult – especially under the glaring eyes of fan watchdogs. It was amazing, though, digging so deeply into such a well-made manga – and really learning what makes manga special. And spending time with Sailor Moon creator Naoko Takeuchi was a huge bonus. With "Princess Ai" I went back and forth with the Japanese editorial team and manga artist – and that push and pull was challenging yet very rewarding. I would write each chapter, after doing hours of research. Then I'd send it to my editor in English for her to translate into Japanese. After that, the Japanese version would go to the Shinshokan editor who would write comments with artist Misaho Kujiradou. They'd send me their comments in Japanese and oftentimes the comments would require a significant rewrite, which I would then do and send back. This process made the story shine – and eventually seeing the gorgeous art come back was the most exciting part!

P: What manga are you currently working on?

SL: I'm putting together our new publishing program so my first job is prepping our initial 2 releases, "Alice in Wonderland: Special Collector's Manga" and "Disney • Pixar Manga Collection: Finding Nemo". Both of these books are adaptations from the Japanese manga but we're fortunate to be able to add some exciting bonus features. As a result, it's a lot of work getting these books together, especially working with Disney's approval process, but everyone involved is a pure pleasure to work with – I'm enjoying getting back into manga publishing!

P: What Manga artists/creators have influenced you?

SL: That's another very long list, but I'd probably point to Tohru Fujisawa if I had to pick one. Although Santa Inoue and Min-Woo Hyung are right up there with Fujisawa-san. In this case, I'm limiting my answer to manga creators I know personally or else I would have a huge laundry list here. Fujisawa-san is not only a brilliant artist but a masterful storyteller – especially with his focus on character. He really adds the details needed for his characters to come to life, and of course the epitome of that is found in Onizuka from GTO. That balance of gangster and naiveté is just brilliant. What I love about Santa is how he integrates fashion and music into his manga. His world is that of 90's hip-hop but he really proves that manga in Japan is more than a narrow medium but instead a staple of pop culture. He's also an artist-entrepreneur and in essence a street hustler. It's pretty impressive. Finally, with Min-Woo you have someone who can draw brilliantly and blow your mind with his art. He's a real character too – with his tattoos and Mexican "cholo" look – but even with that intimidating appearance he's truly the sweetest guy.

HITOSHI ARIGA

PREVIEWSworld: Tell us a little bit about yourself? What's it like being Hitoshi Ariga?

HA: I am originally a game developer and was creating games for consoles such as Mega Drive (Sega Genesis) and Super Famicom (aka: Super Nintendo). Later on, I also began working on creating Manga.

P: What are your favorite manga you've worked on in your career?

HA: I choose Mega Man Megamix as my favorite piece of my own work. I wrote the manga when I was young, so there are parts that are immature. Yet I treasure it because it contains much passion and reminds me of my strong motivation.

P: What manga are you currently working on?

HA: While staying involved in game creation, right now I draw designs for a children's book that feature the Japanese Edo period and demons. I also handle various character designs and illustrating.

P: What Manga artists/ creators have influenced you?

HA: Osamu Tezuka.

P: What anime do you think should be made into a manga or vice-versa?

HA: I would be happy if Mega Man Megamix became an anime. Or also the children's book "Yokai Torimonocho" that I am currently working on. Otherwise… It would be interesting to read a manga version of the anime "Karas" by Keiichi Sato.

P: What manga titles would you recommend to readers?

HA: It is a Japanese manga, but at present I recommend "Uchu no Gazou" by Naoki Yokouchi. The manga is set in a cruel world, yet it has a pop design touch with warmhearted characters. It is an amazing manga and I am hoping for a sequel.

MADELEINE ROSCA

PREVIEWSworld: Tell us a little bit about yourself? What's it like being Madeleine Rosca

MR: I'm a graphic novelist living in Tasmania, Australia. I'm the creator of the all-ages manga series Hollow Fields. It's about a girl who accidentally enrolls in a school for mad scientists, and must survive its dastardly secrets and terrible cafeteria lunches. I used to work as a public librarian, but that's now a dark chapter of my past.

P: What are your favorite manga you've worked on in your career?

MR: Hollow Fields, because I write it as well as producing the art. It's my baby. I wanted to create a book that I would have liked as a young reader; hopefully I've achieved that.

P: What manga are you currently working on?

MR: I'm about to release the fourth volume in the Hollow Fields series, Hollow Fields and the Perfect Cog! I'll also be bringing my webcomic, Rise From Ashes back online after a hiatus.

P: What is your favorite manga?

MR: Oh so many. Fullmetal Alchemist probably gets mentioned by everyone, but it's just that good. Years ago I loved Ranma ½, and I think that's still up there. When I was a librarian, none of Rumiko Takahashi's manga stayed on the shelves for long.

P: What anime do you think should be made into a manga or vice-versa?

MR: This is clearly where I say my own manga would make a great anime. I'll just sit here quietly and wait for the offers to flood in.

EDGAR RICE BURROUGHS' NOVEL (AND SUBSEQUENT '70S CULT FILM) GETS A 21ST CENTURY SEQUEL FROM WRITER MIKE WOLFER (WIDOW, CROSSED) WHO POSES THE QUESTION, "HOW WOULD A BAND OF ADVENTURERS, DEPENDENT UPON THEIR MODERN WEAPONS AND TECHNOLOGY, FARE IN THE HOSTILE ENVIRONMENT OF THE LAND THAT TIME FORGOT?" WE'RE GUESSING NOT SO WELL...

EDGAR RICE BURROUGHS' THE LAND THAT TIME FORGOT #1

Recommended by Trevor

In 1916, Bowen Tyler, some British pals, and the crew of a German U-Boat washed onto the shores of Caspak, a prehistoric island hidden from the rest of the world. The only record of Tyler's adventures with the indigenous people of the island was a manuscript stuffed into a Thermos and tossed out to sea. Today, after 100 years, Tyler's great granddaughter Abby has launched an expedition to uncover the island and verify the claims of her ancestor.

In American Mythology's newest offering, comic veteran Mike Wolfer picks up where Edgar Rice Burroughs left off. In a flashback, we witness the hand of Captain Tyler offering his Thermos and his story to the ocean waves, letting us know everything that follows is the result of that final moment of Bowen's journey. All of the iconic pieces are still in place – dinosaurs, U-Boats, cave people – but this is a new vision for *The Land That Time Forgot* as it seeks to answer modern day questions that were not even considered when the original story was penned. How does an island stay hidden in the age of satellites and Google Earth? Is time on Caspak different than time on the rest of the planet? With so much done for us by technology, can an expedition of 21st-century explorers survive with the same skill and courage as their predecessors or has modern life made them too weak?

With a returning cast of characters and some new additions to the franchise, loyal fans and newcomers alike will enjoy this new vision of this long-loved classic.

SONIC: MEGA DRIVE-ONE SHOT

Recommended by Matt

Twenty-five years ago the blue blur, Sonic the Hedgehog, blast processed his way onto Sega's 16-bit Sega Genesis (Mega Drive for Sega fans outside the USA) and made video game history. That was... twenty-five years ago. While I may be feeling a little older by this startling revelation of my lost youth, it doesn't look like Sonic wants to slow down.

Our favorite hedgehog was the personification of Sega's counter culture revolution against Nintendo's domination of the video game industry in the 1990s. Where Nintendo titles were family friendly, Sega titles were full of edgy arcade action like *Altered Beast*. While Sega didn't topple the Kyoto-based behemoth, they did give them a run for their money with the Genesis and Sonic became a game mascot to rival Nintendo's Mario. Since his inception Sonic has appeared in numerous video games, animated cartoons, and, of course, he has his own comics.

Archie Comics is celebrating Sonic's 25th-anniversary with the *Sonic: Mega Drive One-Shot*. Written by veteran *Sonic* scribe Ian Flynn (*Sonic*, *Mega Man*) in combination with art that looks like it would have been right at home in a vintage game manual by Tyson Hesse (*The Amazing World of Gumball*) this title looks like it is shaping up to be a love letter to Sega fans from the 90's.

This June, take a moment to dust off those game cartridges, race through green hill zone one more time, and get ready for a Sonic blast from the past with the *Sonic: Mega Drive One-Shot* from Archie Comics!

JADE STREET PROTECTION SERVICES #1

Recommended by Jonathan

Welcome to Matsdotter Academy, your typical school with unfair detention and magically gifted students.

Meet Divya, Emma, Noemi, Saba, and Kai, students of the Academy, who find themselves wasting their precious time in the confines of a school classroom.

Welcome to Jade Street, a quant community riddled with secrets.

Katy Rex and Fabian Lelay bring the heat to the street in Black Mask Comics' new series *Jade Street Protection Services*. The detail put into each character's personality and the world behind Jade Street has immense depth. Lelay adds in immense amount of detail and world building into each page with dynamic designs for the setting and characters.

Fans of *Harry Potter* or *Sailor Moon* will want to jump in on this story. In addition to being part of the 8% of the population with magical powers, each girl in the Protection Service is gifted with their own unique ability and skillset. If you're looking for an engaging fantasy book, *Jade Street Protection Services #1* is the place to start.

LA MUERTA: DESCENT #1

Recommended by Sarah

Southwestern City, USA. A combat veteran has returned home from the Middle East to find her city and her family tangled in the vicious machinations of kill-crazed cult of drug dealers. Drawing heavily on Hispanic-American Catholicism and culture, Brian Pulido's new femme fatale series mixes fantasy elements *a la The Crow* with a grindhouse aesthetic worthy of Tarantino.

This title follows in the tradition of many great stories, from the Greek classics to the nineties' comics' favorites: a trained fighter returns home to find loved ones beset by evil forces and takes vengeance for the wrongs done in their absence. Whether we're talking about Odysseus or Spawn, it's a great theme rich with possibilities and Pulido and his team dig right into it. In the first issue alone, we see the parallels between the Afghan desert where Maria served and the deserts of the southwest US where she will serve a higher power. We see the links between the US war against Terror and La Muerta's own war against the drug dealing cult that holds her city in thrall. Repeated visual allusions are made via lighting, statuary, and symbols to La Muerta's holy duty—her divine charge—to bring the villains to justice. This is more than one ex-soldier's obsession and anger, this is crusade.

Gangland gunplay from beyond the grave.
